## Photo tutorial:

### 1st round:

1. We just finished working 1 sc in every sc, and now we work "1 lsc, 1 sc" as follows.

2. Work 1 lsc. This is a regular sc which is just longer. This means that it is worked into the sc of the previous round. The needle shows where to insert the hook for this lsc.

3. This is how it will look. You have now made 1 lsc.

4. Now, work 1 regular sc in the next stitch. The needle shows where to insert the hook.

5. Work 1 lsc. The needle shows where to insert the hook for this lsc.

6. This is how it will look.

7. Work 1 regular sc in the next stitch. Work "1lsc, 1 sc" to the end of the round.

8. Finish with 1 lsc. This was the first round.

### 2nd round:

9. Now, work a round of "1 sc, 1 lsc". Work 1 sc in the first stitch.

10. Then work 1 lsc. The lsc is to be worked around the regular sc of the previous round. The needle shows where to insert the hook for this lsc.

11. This is how it will look.

12. Now, work 1 regular sc in the next stitch.

13. Then 1 more lsc. Again, work in the sc of the previous round. The needle shows where to insert the hook for this lsc.

14. This is how it will look.

15. Work "1 sc, 1 lsc" to the end of the round.

16. Finish with 1 sc.

17. Repeat alternating these two rounds until you have reached the desired height of your basket. Change color after round 3 if you wish.

18. Finish with 1 round of sl st.

Enjoy! 😊
