### Cast on:

Tie a knot using both colors and place it on the needle (the knot is removed later, and does not count as a stitch). Hold color A by your thumb and color B by your index finger, cast on sts normally and the sts will appear in color B.

By using this method, you don't run out of yarn.

Cast on 75 sts as described.

1. row (right side): color A, 1 es, 1 inc fb, k4, k3tog, k4, (1 inc, k1, 1 inc, k4 , k3tog, k4), repeat until you have 2 sts left, 1inc fb and k1 = 75 sts.

Remove the knot with the 2 colors.

2. row (wrong side): color A, 1 es, knit the rest of the row.

3. row: color B, 1 es, 1 inc fb, k4, k3tog, k4, (1 inc, k1, 1 inc, k4, k3tog, k4) repeat until you have 2 sts left, 1 inc fb and k1.

4. row: color B, knit the rest of the row knitwise.

Repeat these 4 rows until you're out of yarn.

Bind off loosely knitwise.

### Tip:

It can be helpful to place a marker around the stitch between the 2 increases or where you knitted the 3 sts together.
