Scarf

Cast on 85 stitches on needle size 7 (4.5 mm)

Work 1 row of purl stitches.

First and last stitch is worked as a knit stitch on all rows.

All the knit rows start with 3 knit stitches, work pattern after the knitting chart which is repeated 8 times, finish with 2 knit stitches.

Work purl stitches on the rows without pattern.

Repeat the knitting chart until you reach the desired length of your scarf. Be aware to finish the chart so the last pattern row is either the 6th or the 12th row in the chart. This way, the start and the end of the scarf will look the same.

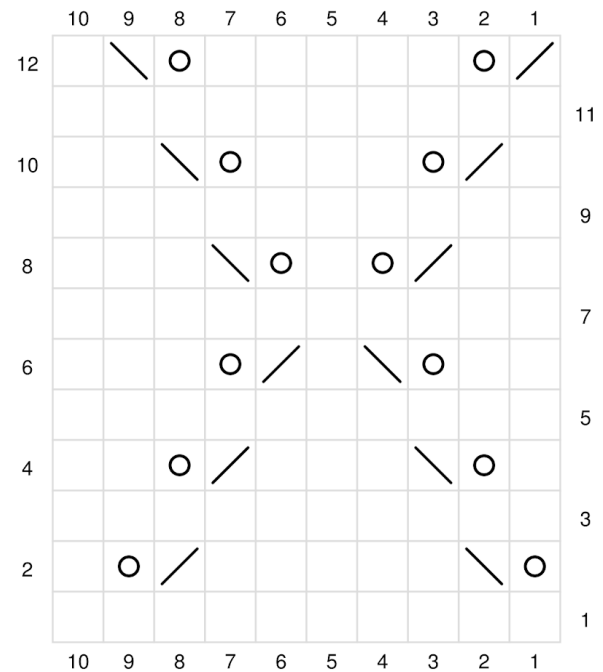

Finish with a row of purl stitches. Bind off knitwise.

Weave in ends. Wash the scarf, block it and let it dry flat.

Happy knitting !
