Pattern

Base

Cast on 8 stitches on needles size 7 (4,5 mm). Divide them on the double pointed needles or use the magic loop technique.

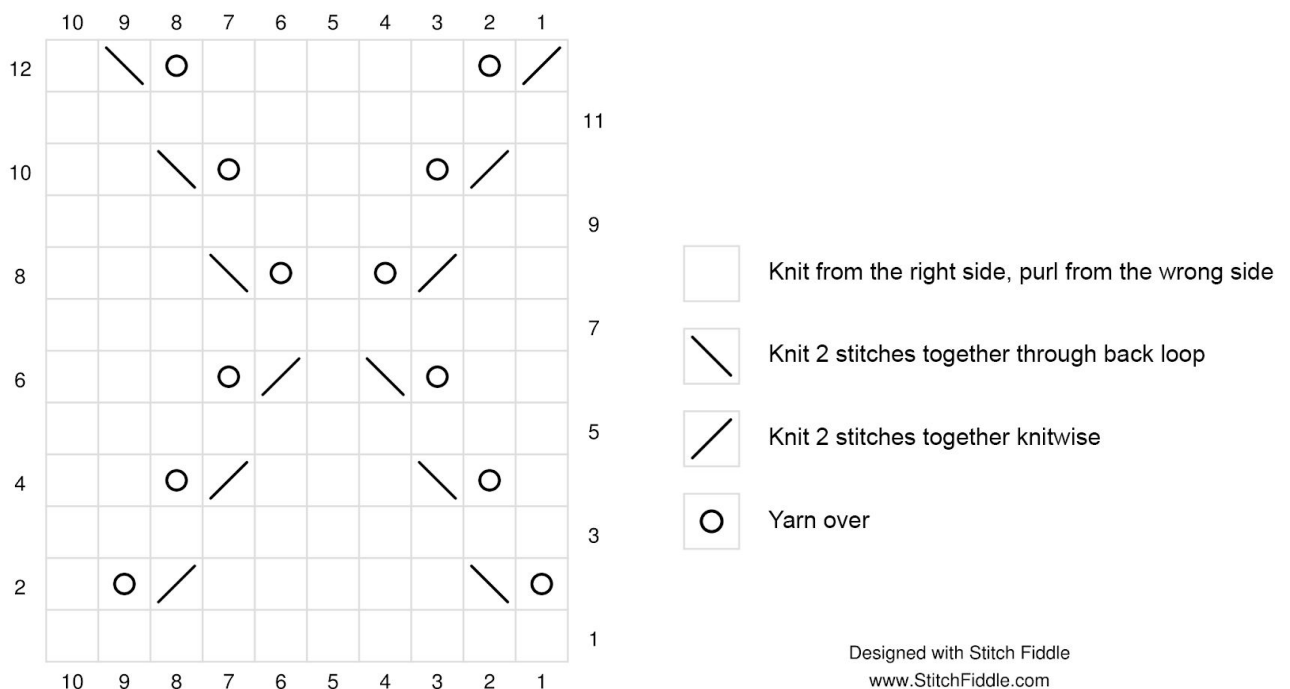

Increases:

1. round: *Yarn over, k1*. Repeat from *to* around.
2. round: Work each stitch knitwise. The yarn round needle is knitted through back loop.
3. round: *yarn over, k2*. Repeat from *to* around.
4. round: Work each stitch knitwise. The yarn round needle is knitted through back loop.
5. round: *yarn over, k3*. Repeat from *to* around.

Repeat the increases 10 times = 88 stitches. On the next round you only increase twice, so you have a total of 90 stitches.

Bag

Repeat the chart 3 times in height and the pattern part measures approx. 5.9 inches (15 cm). Work 2 rounds of stockinette stitch and 5 rounds of rib *k1,p1*.

Strap

Knit 2 I-cords (straps) of 10.6 inches (27 cm) each

Push the stitches to the other side of the knitting needle, so the yarn end is in the wrong side of the stitches

Knit as you normally would. Make sure to tighten the first stitch.

Repeat until the work has the right length. The first stitch ensures that the work becomes round.

Sew them onto the edge with mattress stitches.

Weave in the ends.

Happy knitting ☺
