If you wish the blanket to be longer than 40 inches, simply continue the rows until you reach the desired length.

Pattern: -Picture guide can be found at the bottom of the pattern.

Using hook size I/9 (5.5 mm) and colour 1, chain 100.

1. Change to hook size H/8 (5 mm). Hdc 1, ch 1, hdc 1 in 4th chain from the hook. "Skip 1 ch and hdc 1, ch 1, hdc 1 in next ch". Repeat from " to " until you reach the end of the row. When only 2 ch remain, skip 1 ch and hdc 1 in the last ch. You'll now have 48 "V" stitches.
2. Ch 2 and turn. Now "hdc 1, ch 1, hdc 1" in all the ch spaces of the V-stitches below. Repeat from " to " for the remainder of the row and hdc 1 in the last st.

Repeat row 2 until you have a total of 112 rows or until you reach the desired size.

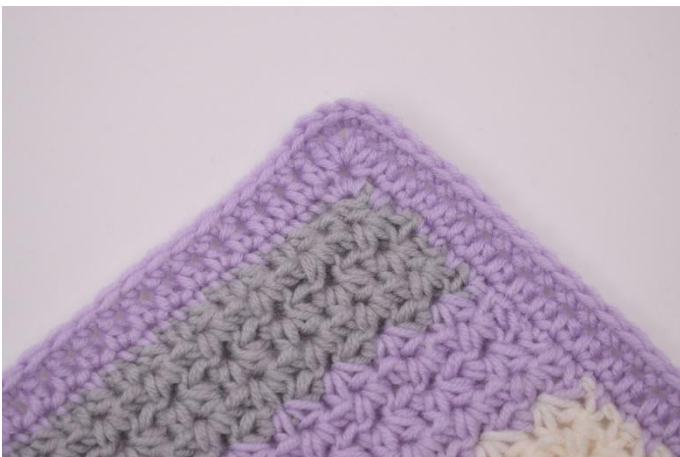

The blanket is made changing colour after every 4th row.

Edge:

The edge is made using colour 2.

1. Sc 1 in all st around the blanket. In each corner st, sc 3 for a nice rounded corner. Finish with a sl st.
2. Ch 2 and dc all around. In each corner st "dc 2, ch 1 dc 2". Finish with a sl st.
3. Ch 1. Sc all round the blanket. In each corner st, sc 3. Finish with a sl st.

Guide:

1. Start by making your chain. The first stitches go into the 4th ch from your hook. The needle here marks this ch.

2. "Hdc 1, ch 1, hdc 1" in the 4th ch from the hook.

3. Skip 1 ch.

4. "Hdc 1, ch 1, hdc 1" in the next ch.

5. Skip 1 ch. Now repeat "hdc 1, ch 1, hdc 1, skip 1" the remainder of the row.

6. When you have 2 ch left, skip 1 and hdc 1 in the last ch.

7. You're now done with row 1.

8. Ch 2 and turn your work. Now "hdc 1, ch 1, hdc 1" in all the ch spaces of the row below.

9. "Hdc 1, ch 1, hdc 1" in the first ch space.

10. Repeat "hdc 1, ch 1, hdc 1" in the next ch space.

11. Repeat the remainder of the row. Hdc 1 in the last stitch.

12. Repeat this row until your blanket reaches the desired size or to a total of 112 rows.
