### Knitting gauge:

14 stitches = 4"

25 rounds = 4"

Using needle size 10,5-11 in seed stitch

### Abbreviation:

Increase: make 1 stitch by knitting the horizontal loop between the next two stitches, and knit into the back loop

## Pattern

### Edge:

Cast on 134 (144) 154 stitches on circular needle size 10 and knit in the round.

Work 1.96 inches of twisted rib: \*1 twisted knit, 1 purl\*. Repeat from \*-\* till the end of the round.

**Sweater:** Change to circular needle 10,5-11.

### Work moss stitch:

1. round: \*knit 1, purl 1\*. Repeat from \*-\* till the end of the round.

Then work purl over knit and knit over purl.

On the 1. round increase with 1 stitch = 135 (145) 155 stitches.

When you have an odd number of stitches, work in the round in knit and purl.

Work straight till the work measures 12.59" (12.99") 13.38".

**Arm hole:** Place a stitch marker at the beginning of the round.

Work till 4 (5) 5 stitches before the beginning of the round, bind off 8 (9) 10 stitches, work until you have 60 (64) 68 on the needles after the binding off, bind off 7 (8) 9 stitches = 60 (64) 68 stitches.

Put the piece aside and work both sleeves.

### Sleeves

**Edge:** Cast on 34 (36) 40 stitches on double pointed needle size 10 and knit in the round.

Work 1.98 inches of twisted rib: \*1 twisted knit, 1 purl\*. Repeat from \*-\* till the end of the round.

**Sleeve:** Change to double pointed needle size 10.5-11 inches.

Place a stitch marker at the beginning of the round.

Knit 1 stitch on each side of the stitch marker, garter stitch = sleeve seam.

### Work moss stitch:

1. round: \*knit 1, purl 1\*. Repeat from \*-\* till the end of the round.

Next, work purl over knit and knit over purl.

Knit 1.57" of seed stitch straight. Stop at the beginning of the round.

**Begin to increase:** Work 1 knit stitch, increase 1 stitch, work until there is 1 stitch left before the stitch marker, increase 1 stitch, knit 1 = 2 increases in total.

Increase in seed stitch every 8th round till you have 52 (54) 56 stitches. Knit straight until the sleeve measures 18.5 (18.5) 18.5 inches. End the round 4 (5) 5 stitches before the stitch marker.

Bind off 8 (9) 10 stitches = 44 (45) 46 stitches.

Put the sleeve aside and work one more sleeve.

## Yoke

Knit the sleeves to the sweater: back piece, sleeve, front piece, sleeve = 208 (218) 228 stitches.  
Place a stitch marker in each opening (raglan seam). Work 1 knit stitch on each side of the seam.

Read the next paragraph.

On the back piece and the front piece, decrease every 2nd round.

On the sleeves, decrease every 2nd round or 4th round.

When working seed stitch, decrease on each side of the 2 knit stitches in each raglan seam = 8 or 4 stitches decreased on the round.

## Raglandecreases

Knit 1 round of seed stitch and 4 raglan seams.

**Decreasing round:** knit 1, 2 stitches together, \*work seed stitch until you have 3 stitches left before the next stitch marker, 2 stitches together, knit 2, 2 stitches together\*, repeat from \*-\* 2 more times, work seed stitch until you have 3 stitches left before the next stitch marker, 2 stitches together, knit 1 = 8 stitches decreased.

Decrease like that 7 (7) 5 times.

Next, decrease the back piece and the front piece on every 2nd round, and only every 4th round on the sleeves till you have 76 (82) 88 stitches.

## Neckline

Change to double pointed needle size 10 and work the neckline in rib like this:

Work the first round in seed stitch with 1 twisted knit stitch and 1 purl stitch.

Continue until the neckline measures 2.75 inches. Bind off loosely in rib.

Fold the edge and sew it on the wrong side.

Sew the openings under the sleeves.

Happy knitting! ☺
