Pattern information

Pot holder is knit holding 2 strands of yarn together

Pattern

CO 30 sts holding 2 strands of yarn together in the grey-purple color.

Knit in garter stitch (knit all stitches) until piece measures 8 inches.

Knit the contrasting edge:

Change colors to the dark pint and knit 1 row.

Bind off, but do not cut the yarn.

Put the last stitch on the crochet hook (H) and work 3-4 inches of chain stitches for the strap.

Sew the end of the strap to the corner of the pot holder to make a loop.

Weave in ends.

Knit the second pot holder in the opposite color combination.

Enjoy :)
