The hat is knitted in the round on circular
needles using the magic loop technique

Pattern

Cast on 80 (90) 100 stitches on knitting needles size 0.18 inches (4,5 mm)

Work rib *k1, p1* in white yarn until your work measures 1.2 inches (3 cm)

Work 1 round of stockinette stitch in white.

Change to color red and continue in stockinette stitch until your work measures 7 (7.9) 8.7 inches (18 (20) 22 cm).

Decreases

From here on decrease evenly 10 times on the round in every hat size by knitting two stitches together.

Place a stitch marker after the 8th (9th) 10th stitch. Decrease after each marker by knitting two stitches together.

Decrease every 4th round 7 (8) 9 times in total.

Fasten off and pull it through the remaining stitches.

Bind off and attach the pom-pom to the hat.

Happy knitting!
