 - 1 dc group consists of 3 dc stitches in the same stitch.
1. Start by chaining 172.
 2. In the 2nd ch s from the hook you work 1 sc. Continue with sc till the end of the row.
 3. Turn your work by chaining 3. Skip 2 sts and work now 1 dc group in the next stitch. *Skip 2 sts and work now 1 dc group in the next stitch*. Repeat *to* till the end of the row. The row ends with 1 dc group in the last stitch.
