The pattern was designed to be a part of the "Trøstemus" group, which Hobbii is a main sponsor for.

The pattern is intended for the Trøstemus group as well as personal use.

Trøstemus is a group of people who volunteer to sew, knit or crochet mice and other small friends for all the country's hospitals. These people make an incredible difference to the many children around the country who, for one reason or another, need to receive a small, soft and colorful friend to make their lives a little better.
