

“C2C” Pillow – Cotton - Longitudinal

No. 1001-191-6904

Materials:

- Rainbow Cotton 8/4 – 2 threads
- Crochet hook size 3,5 mm
- Pillow 30x50

Purchase yarn and accessories here:

<http://shop.hobbii.com/c2c-pillow-cotton-longitudinal>

Gauge:

Appr. 8 tiles x 8 tiles = 10 x 10 cm

Usage approx.: 450 gr (9 balls)

Abbreviations:

St(s): Stitch(es)

Sc: Single crochet

Ch: Chain stitch

Hdc: Half double crochet

About the pattern

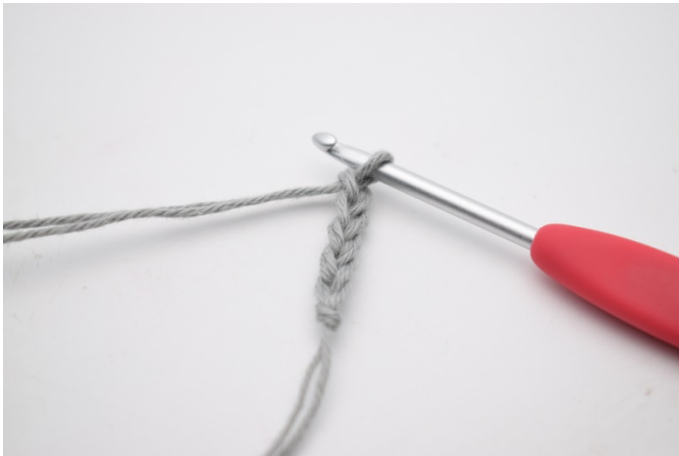

"C2C" – Corner to corner is a pattern worked in chain stitches, half double crochet and slip stitches. This technique works just as it sounds; the pattern is worked diagonal from one corner to another. "C2C" consists of small "tiles". On each row you add a new tile, which means that you continue increasing by one tile on each row. The same goes, as you decrease. Then there will be 1 "tile" less for each row

Please note: You work with two threads.

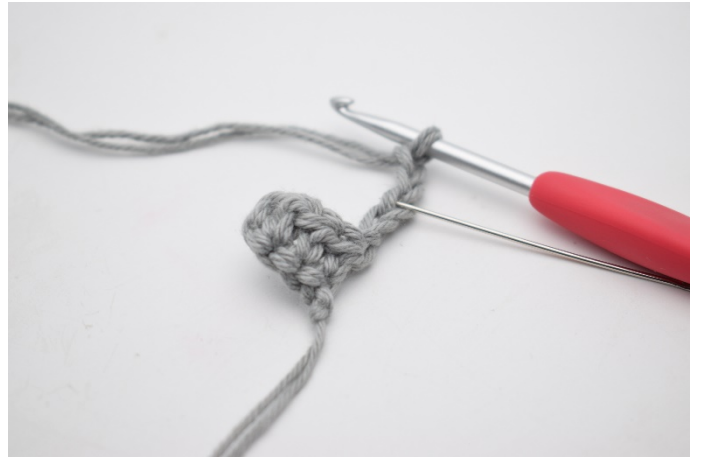

The front and back are the same. Work 2 pieces and crochet them together.

Pattern:

1. Ch 5 and crochet 1 hdc in the 3rd ch from the hook. Work 1 hdc in the last 2 ch. You have now made 1 "tile".

2. Turn the piece and work 5 ch. Crochet 1 hdc in 3rd ch from the hook. Crochet 1 hdc in each of the next 2 ch. Crochet 1 sl st in the left corner of the first "tile" from the first row. You have now made 1 "tile".

Ch 2 (replaces 1 hdc). Crochet 3 hdc in the same "space", where you just crocheted your sl st and 2 ch. You have made 1 more "tile" and there are now 2 tiles on your row.

3. Turn the piece with ch 5. Crochet 1 hdc in the 3rd ch from the hook. Crochet 1 hdc in each of the next 2 ch. Crochet 1 sl st in the left corner of the 1st "tile" from the previous row. You have now made 1 "tile".

Ch 2 (replaces 1 hdc). Crochet 3 hdc in the same "space", where you just crocheted your sl st and 2 ch. Crochet 1 sl st in the left corner of the 2nd "tile" from the previous row. You have made one more "tile" there are now 2 "tiles" on your row.

Ch 2 (replaces 1 hdc). Crochet 3 hdc in the same "space", where you just crocheted your sl st and 2 ch. You have made one more "tile" and there are now 3 "tiles" on your row.

4. - 24. Repeat the rows until you have crocheted 24 tiles.

Now the pillow has the desired height, which means that from now on you need to decrease on this side. You can add a stitch marker or something else as a reminder. A decrease is made by no longer turning with ch 5 but crocheting sl st along the side of the tile instead. See the instruction below:

25. Turn your piece. Crochet sl st along the side of the first "tile". Ch 2 (replaces 1 hdc). Crochet 3 hdc. Crochet 1 sl st in the top corner of the next "tile". Crochet the rest of the row as usual.

26. You still need to increase at this side.

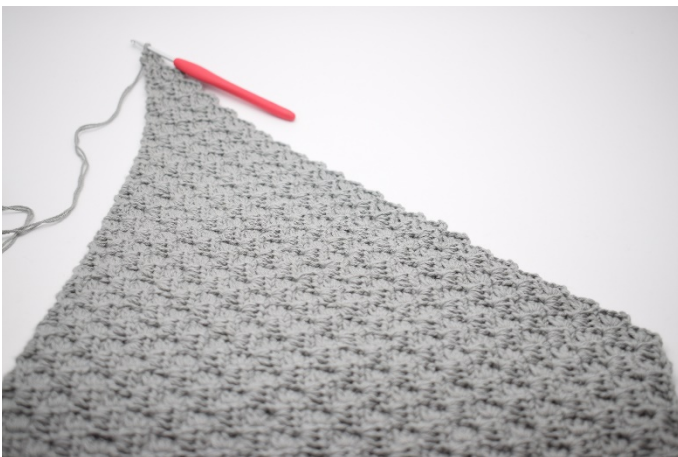

Turn your piece with ch 5. Crochet 1 hdc in the 3rd ch from the hook. Crochet 1 hdc in the next 2 ch. Crochet 1 sl st in the left corner of the 1st "tile" from the previous row. Crochet the rest of the row as usual.

27. There's no need to increase on this side anymore. Therefore you turn the piece and crochet sl st along the side of the "tile". Ch 2 (replaces 1 hdc). Crochet 3 hdc. Work 1 sl st in the top corner of the next "tile". Crochet the rest of the row as usual.

28. – 39. Repeat these rows and continue increasing on the long side until you have a total of 39 tiles.

40. Now there's no need to increase on this side either and from now on you continue decreasing on both sides. Turn your piece and crochet sl st along the first "tile". Ch 2 (replaces 1 hdc). Crochet 3 hdc. Work 1 sl st in the top corner of the next "tile". Crochet the rest of the row as usual.

41. Repeat decreasing on each row until you have 1 "tile" left. Turn the piece and work sl st along the last tile up until the corner. Cut the yarn and weave in ends.

Assembly:

1. Place the pieces on top of each other. Begin assembling approx. 2 cm under the right top corner. Attach the yarn through both pieces in between 2 "tiles".

2. Ch 2.

3. Crochet 1 sc in between the next 2 "tiles".

4. Ch 2.

5. Crochet 1 sc in the corner.

6. Ch 2.

7. Crochet 1 sc in between the next 2 "tiles".

8. Repeat this around the pillow. Insert the pillow before the sides are completely closed. Finish with 1 sl st. Cut the yarn and weave in ends.

Enjoy 😊
