Sizes

One size

Measurements

Circumference: approx. 33.5 inches (85 cm)

Height: approx. 12.6 inches (32 cm)

Pattern information

Cast on using the moebius technique which automatically creates the twisted effect. Then, you knit in the round in rib and the edge is finished with an i-cord.

Techniques

Find videos of the used techniques here:

Moebius -

Pattern

Cast on 160 stitches with the moebius technique. Place a marker at the start of the round. From here, you knit in the round in rib *knit 1, purl 1* until the work measures 12.6 inches (32 cm) in height.

Do not cast off yet, instead you continue by knitting an i-cord edge over all the stitches.

I-cord edge

Cast on 3 stitches with a knitted cast on on the left needle.

Knit with needle size 10 (6 mm): *knit 2, knit 2 stitches together through the back loop (1 stitch from the right needle and 1 stitch from the left needle), place 3 stitches back on the left needle.* Repeat from *to* until all stitches on the needle have been knitted. Sew the edges together by using kitchener stitch.

Happy knitting!
