Pattern information

The top is knit from the bottom up, in the round on a circular needle in stockinette. There are increases throughout which forms an inverted A-shape.

The piece is divided at the armholes and knit flat for the front and back pieces.

ES = edge stitch.

On the right side, slip the first st with the yarn held behind.

On the wrong side, slip the first st with the yarn held in front.

The shoulders are sewn together with kitchener stitch at the end.

An icord is added along the neck line.
