About the design

This Kisa Tee is a dreamy cotton top that you will love to wear everywhere you go. It's airy and perfect for summer. So what does Kisa means? Well, funny story... Everytime I finish a garment or crochet project, I always ask my husband: "What is the first word that comes to mind when you see this?". This time he said "knight armor" ☺. I don't know why, but I immediately thought of "Knight In Shining Armor" and the Kisa Tee was born.

The Design is super simple and you will find it so easy to follow. We will start working the back, then extend on each side with a few stitches for the sleeves. Then continue until we reach the neck and finish the back. The front panel is worked continuing the back panel after leaving space for the neck.

After finishing both panels we will sew the sides, then fold the sleeves and sew the margins (optional).

About the yarn

For this pattern I used a fingering, 4 ply, Super Fine yarn (Cotton Kings 8/4 soft print) and I can honestly say that it's the softest cotton yarn I have ever tried. The soft print gives the finished project a nice washed look.

About the stitch pattern

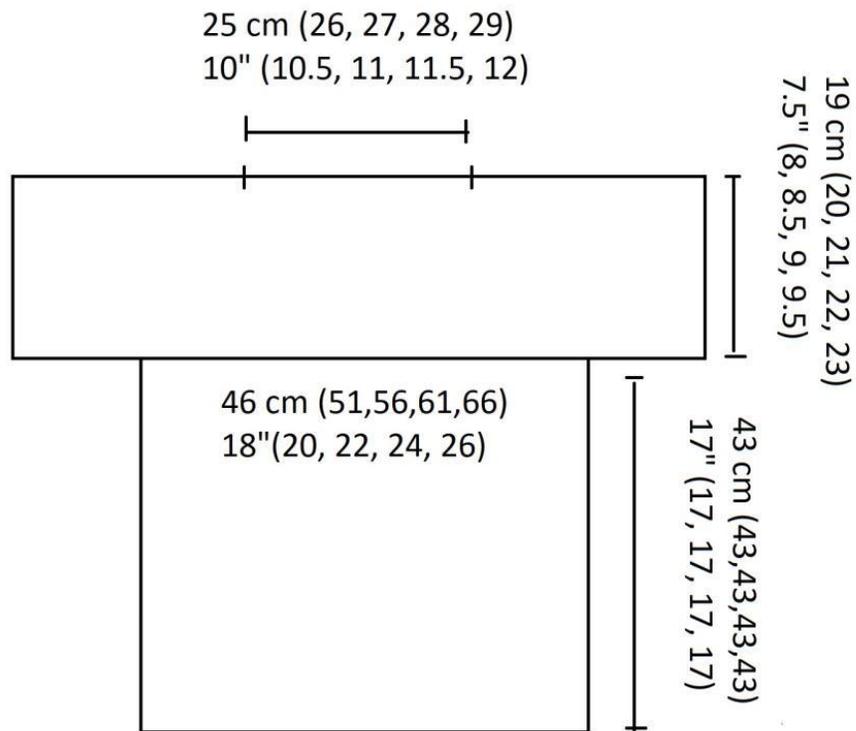

For this tee we will combine double crochet and V stitches. The back is worked mostly in V stitches with a few double crochet rows at the bottom and a few double crochet stitches on the sides. On the front, we will only make 2 vertical stripes in V stitch.

How to make a V stitch:

1 dc, ch 1, 1 dc in the same stitch

Final Measurements

This pattern is available in 5 sizes: Small, Medium, Large, XLarge and XXLarge. Below you will find a diagram with the final measurements:

Pattern Notes

- The ch 3 at the beginning of the row counts as the first double crochet
- The length of the t-shirt to the armpit is the same for all sizes. If you want to make it shorter or longer, work less or more rows to the armpit.
- I worked the double crochet stitches just in the back loop for a nice drape, but you can work the dc in both loops.

Now that we have all the details in place, let's start making this beautiful tee!

Back Panel

First the foundation chain:

- **S** = 83 sts
- **M** = 91 sts
- **L** = 99 sts
- **XL** = 107 sts
- **XXL** = 115 sts

Row 1

Ch 3, starting with the 5th ch, 1 dc in each st across. Ch 3 and turn

Row 2

1 dcblo in the 2nd st, 1 dc blo in each st across. Ch 3 and turn

Row 3 - 7

Repeat row 2

Row 8

1 dcbl in next 9 sts, ch 1, skip 1, [1 V st in next, ch 1, skip 3] Repeat the section until you have 15 (17, 19, 21, 23) V sts or until you have 11 sts left, ch 1, skip 1, 1 dcbl in last 10 sts. Ch 3 and turn.

Row 9

1 dcbl in next 9 st, ch 1, [1 V st in next V st, ch 1]. Repeat the section until the last V st of the previous row, 1 dcbl in last 10 sts. Ch 3 and turn.

**Rows 10 – 34**

Repeat row 9

Sleeves

We will start to count from 1, but you don't have to cut the yarn.
Finish row 34 with 10 ch sts, to make the sleeve. Ch 3 and turn.

Row 1

Starting with the 5th st, 1 dc in each of the 9 sts, 1 dcblo in next 10 sts, ch 1, [1 V st in next V st, ch 1], repeat to the last V st, 1 dcblo in next 10 sts, ch 10. Ch 3 and turn.

Now we will repeat the same pattern, but we will have 20 dcblo before and after V sts.

We will continue like this until we have in total :

- **S** = 13 rows
- **M** = 14 rows
- **L** = 15 rows
- **XL** = 16 rows
- **XXL** = 17 rows

We will work 2 more rows on the back panel with 1 dc in each st.

Before starting the front panel we will make a splitting row to create space for the neck.

*the numbers for sizes M,L, XL and XXL will be written between brackets.

1 dc in next 28 (31, 34, 37, 40) sts, ch 45 (47, 49, 51, 53), 1 dc in last 29 (32, 35, 38, 41) sts.

Ch 3 and turn.

Front Panel

Sleeves

We will start counting from 1 again

Row 1

1 dc in each st across (in the chain sts as well)

Row 2

Repeat row 1

Row 3

*the numbers for sizes M,L, XL and XXL will be written between brackets

1 dcblu in next 19 sts, ch 1, skip 1, [1 V st in next, ch 1, skip 3]. Repeat 3 times (until you have 3 V sts) ch 1, skip 1, 1 dcblu in next 41 (49, 57, 65, 73) sts, ch 1 skip 1, [1 V st in next, ch 1, skip 3] repeat 3 times, ch 1, skip 1, 1 dcblu in last 20 sts. Ch 3 and turn.

Row 4

1 dc in next 19 st, ch 1, [1 v st in next v st, ch 1], 3 times, ch 1, 1 dcblo in next, 41 (49, 57, 65, 73) sts, ch 1, [1 v st in next v st, ch 1] 3 times, 1 dcblo in last 20 sts. Ch 3 and turn.

Repeat row 4 until you have in total for the sleeves:

- **S** = 15 rows
- **M** = 16 rows
- **L** = 17 rows
- **XL** = 18 rows
- **XXL** = 19 rows

Body of the front panel

We will start the next row by decreasing the same number of stitches that we increased at the back panel.

Slip st 10 sts, ch 3 and continue with the same pattern as until now. Finish the row with 10 dcblo, you will have 10 sts left, ch 3 and turn.

Repeat the same pattern until you have in total 27 rows from the armpit.

Finish the front panel with 2 rows working 1 dcblo in each stitch the same as you did at the beginning of the back panel. I only made 2 rows on the front panel because I wanted the front panel a bit shorter than the back panel.

After finishing both panels it's time for assembling. Fold the piece in half and sew the edges.

And done! Your Kisa Tee is ready to take part in your life as your favorite garment.
