Difficulty Level

Expert

Gauge

29 sts per 4" (10 cm)
38 rows per 4" (10 cm)

Pattern information

The dress is knit from the top down on circular needles in the round in stockinette. There are increases which makes the A-form shape. A piece of elastic is then sewn into the hem to create the waistband.

Waist

Increases

Icord Edge

Waist

Cast 240 (252) 264 (274) 286 stitches on circular needles and knit round in stocking stitch.

Knit 3cm (1.18in) stocking stitch, 1 round purl, 3cm (1.18in) stocking stitch.

On the next round increase by 24 (20) 24 (22) 24 stitches, increase evenly across the round = 264 (272) 288 (296) 304.

Skirt

Place a marker after 33 (34) 36 (37) 38 sts = 8 markers.

1st increase rnd: *k to marker, YO, slip marker* repeat to the end of the rnd = 8 sts increased.

Knit 21 rnds evenly in stockinette. Work the YOs through the back loop to twist.

2nd increase rnd: *k to marker, slip marker, YO *, repeat to the end of the rnd = 8 sts increased.

Continue increasing every 22 rnds or approx. 2,4" (6 cm)

NOTE Work increases alternating between before or after the marker so that the increases line up underneath each other. The 1st increase rnd the YO is worked before the marker and the 2nd increasing rnd the YO is worked after the marker.

Increase a total of 8 times = 328 (336) 352 (360) 368 sts in the rnd.

Continue working in the round in stockinette until the piece measures 23,6" (60cm) and end with an icord edge as follows:

Icord

CO 3 sts on the left needle with a knitted cast on.

*k 2, ssk, slide sts back to the left needle * - repeat from * to * until all sts are bound off

Sew the icord together with a kitchener stitch.

Finishing

Sew the waistband folded over with the elastic inside.

Enjoy! ☺
