## About the design

The Design of this Dolly Skirt is super easy and any beginner will be able to make it. We will start with the waistband and then we will increase to create the shape. After we will join and start working in circular rounds, but we will keep working on the wrong and right side. In the length you can work as many rounds as you want.

## About the yarn

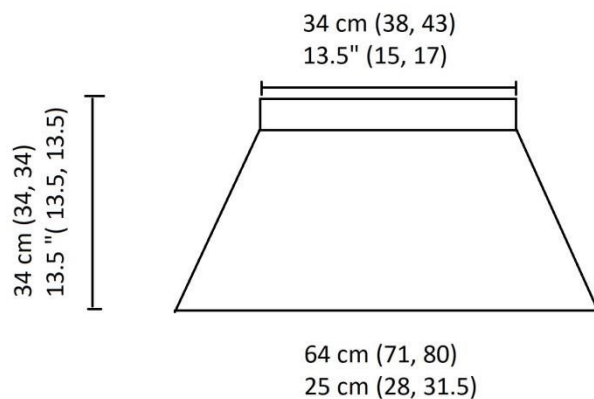

For this pattern I used Hobbii Cotton 8/4 soft print and Hobbii cotton pull skein which are 100% cotton, but is so soft with a nice drape, perfect for this kind of project. It's a Fingering, 4 ply, Super Fine yarn.

## About the stitch Pattern

We will use single crochet for the waistband and double crochet for the rest of the skirt.

Sl st 3 sts, ch 2, skip 3 sts from the other side and work the next 3 sts through both sides sts to make the join.

Continue with 1 dc in each sts. You have to work the last 3 dc through both sides.  
Join with a sl st with 1<sup>st</sup> dc.
