Measurements

Circumference: 19.7 (20.9, 22) inches (50
(53, 56) cm), the width will give

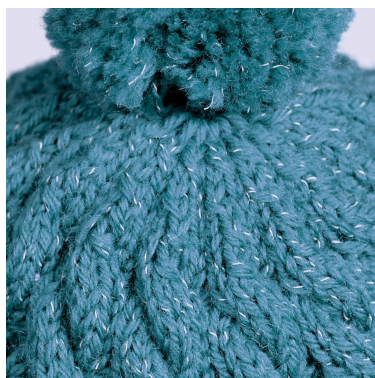

Pattern information

You knit a rib edge and then you knit
cables. The hat is knitted in the round on a
circular needle using the magic loop
technique.

Make a pom-pom of yarn and sew it onto
the top of the hat.

Happy knitting!

Pattern

Cast on 96 (104, 112) sts on a circular needle US size 7 (4,5 mm). Knit rib in the round: k 1, p1.

Knit until the edge measures 0.8 (1.2,1.6) inches (2 (3, 4) cm).

Increase on the next round in knit stitches like this:

knit 4, increase with 1 stitch by picking up the strand, and knitting it through the back loop, repeat from * to * 24 times in total, knit 0 (8, 16) sts = 120 (128, 136) sts.

Continue in pattern:

1. rnd: *p 2, k 6* around.

2. and 3rd rnd: repeat round 1.

4. rnd, cable rnd: *p 2, place 3 sts on the cable needle in front of the work, k 3, knit the 3 sts on the cable needle*, repeat from * to* around = 15 (16, 17) cables.

5. to 10th round: work as rnd 1.

Repeat the 4th to the 10th rnd = cables every 7th rnd.

Knit until you have 5 cables in height and your work measures approx. 5.9 (6.3, 6.7) inches (15 (16, 17) cm).

End with the 5th rnd of the pattern.

Start decreasing:

6. rnd: *purl 2 together, k 6*, repeat from * to * around = 105 (112, 119) sts.

7. rnd: knit as the sts show.

8. rnd: *p1, k2, k2 together, k2*, repeat from * to * around = 90 (96, 102) sts.

9. rnd: knit as the sts show.

10. rnd- cable rnd: *p1, place 3 sts on the cable needle in front of the work, k2, knit the 3 sts on the cable needle*, repeat from * to * around.

11. rnd, *p1, k2, k 2 together, k1*, repeat from * to * around = 75 (80, 85) sts.

12. rnd: knit as the sts show.

13. rnd: *p1, k2, k 2 together*, repeat from * to * around = 60 (64, 68) sts.

14. rnd: knit as the sts show.

15. rnd: *p1, k1, k2 together*, repeat from * to * around = 45 (48, 51) sts.

16. rnd: knit as the sts show.

17. rnd: *p 1, k 2 together*, repeat from * to * around = 30 (32, 34) sts.

18. rnd: * k 2 together*, repeat from * to * around = 15 (16, 17) sts.

Fasten off and pull the end through the stitches, tighten and weave in the ends of the wrong side.

Make a pom-pom and sew it onto the top of the hat.
