

Kawaii Gingerbread Man - Blanket

No. 1011-194-2983

Level: Advanced

Measurements blanket: 140 x 110 cm

Crochet hook: 6,5 mm

Yarn: Amigo XL

Abbreviations:

RS - Right side

WS - Wrong side

sl st - slip stitch

sc - single crochet

dc - double crochet

hdc - half double crochet

ch - chain stitch

Purchase your yarn here:

<http://shop.hobbii.com/kawaii-gingerbread-man-blanket>

How much yarn do you need?

White (#01) - 1 ball

Black (#12) - 1 ball

Light Pink (#57) - 1 ball

Mint (#29) - 12 balls

Neon Pink (#55) - 2 balls

Cognac (#39) - 4 balls

Lavender (#59) - 1 ball

Neon Yellow (#34) - 1 ball

Light Turquoise (#21) - 1 ball

This blanket is worked using the “corner to corner-technique” also known as: “C2C”. The pattern contains a diagram and a description of each row. In this way you can keep track of how many pixels you need to work in each color. The arrows in the written description shows in which direction you work. You begin in the right corner.

It’s a good idea to bind off the ends as you go, so you don’t need to bind off a ton of ends when finished. If you find it difficult to keep track of the different yarn balls and to avoid that it tangles, then it’s a good idea to wind some of the yarn up and attach it on clothespins. In this way you can easily keep the colors, you don’t use, in place on the pins, while you’re working.

You can find instruction video’s for the techniques used in this pattern here:

Have fun making this blanket :-)

Super Cute Design

CORNER TO CORNER

Row 1

1. Begin with ch 5.

2. Work 1 dc in 3rd ch from hook.

3. Work 1 dc in each of the next 2 ch. You have now worked your first pixel.

Row 2

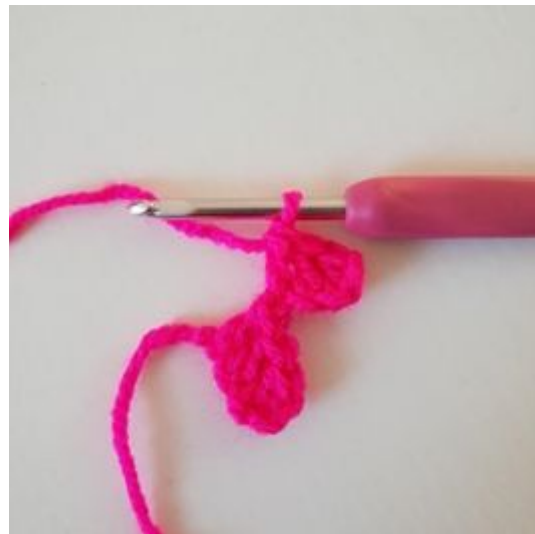

1. Ch 5.

2. Work 1 dc in third ch from hook.

3. Work 1 dc in each of the next 2 ch. You have now worked one more pixel.

4. Now you to work this pixel together with the first pixel. Begin by turning the pixel around and work 1 sl st on the left side of the first pixel. The picture shows the 2 pixels worked together.

5. Ch 2 (replaces first dc).

6. Work 3 dc in same ch-space, where you just worked 1 sl st. You now have 2 pixels on row 2.

Row 3

1. Ch 5.

2. Work 1 dc in third ch from hook and continue with 1 dc in each of the last 2 ch.

3. Work 1 sl st in pixel below.

4. Ch 2 and work 3 dc in same ch-space, where you just worked 1 sl st.

5. Work 1 sl st in the next pixel and ch 2. Work 3 dc in same ch-space, where you just worked 1 sl st. You now have 3 pixels and row 3 is finished.

Corner decreases

1. Instead of finishing the row with ch 5, you work 3 sl st alongside the last pixel.

2. Continue working the pixels as before on entire row.

3. Here you see how you can decrease on the end of a row by working 2 pixels together with 1 sl st.

Edge, Row 1

1. You may begin wherever you want on the blanket.

2. Ch 3.

3. Work 1 sl st between the next 2 pixels.

4. Ch 3.

5. Work 1 sl st between the next 2 pixels.

6. Work 1 sl st in the corner.

7. Ch 2.

8. Work one more sl st in the corner.

9. Ch 3.

10. Continue working like this around the entire edge of the blanket.

11. Finish with 1 sl st in first st on the row.

Edge, Row 2

1. Ch 1. All stitches on this row are worked in the ch-spaces from previous row.

2. Work 3 sc in each ch-space.

3. Repeat with working 3 sc in each ch-space until the corner.

4. In this 2-ch-space you work 3 sc.

5. Continue working 3 sc in all ch-spaces on entire row.

6. Finish with 1 sl st.

Edge, Row 3

1. Now work 3 hdc in next sc. This means 3 hdc in same stitch.

2. Skip 1 st and work 1 sl st in ch-space from previous row.

3. Work 3 hdc in next st.

4. Skip 1 st and work 1 sl st in ch-space from previous row.

5. Continue working 3 hdc in same middle-st from previous row and 1 sl st in ch-space. *3 hdc in same st, skip 1 st and 1 sl st*

6. In the corner you work in the same way. *3 hdc in same st, skip 1 st and 1 sl st t*

7. Continue working around the corner. *3 hdc in same st, skip 1 st and 1 sl st*.

8. Continue working the rest of the row.

9. Finish with 1 sl st.
