Usage approx.: 325g (4 balls)

Gauge: Approx. 15 st x 8 rows = 10 x 10 cm

Measurements: Ca. 210 x 57 cm

Abbreviations:

St: stitch(es)

Ch: chain stitch

Dc: double crochet

Information:

All rows are turned with ch 3, which equals 1 dc. The last dc is worked in the third ch from previous row. Please note, that it tends to hide a little bit 😊

Pattern:

1. Ch 3 and work 1 dc in 3rd ch from hook. (2)

2. Ch 3 to turn. Work 1 dc in first st and 1 dc in last st. (3)

1. Ch 3 to turn. (represents 1 dc)

2. Increase by working 1 dc in first st. Here the stitch is marked by the needle.

3. Like this. You now have 2 dc i first m, da de ch 3 represents 1 dc.

4. Work 1 dc in last st. You have now increased 1 st on this row.

3. Ch 3 to turn. Work 1 dc in first st and 1 dc each of the last 2 st. (4)

1. Ch 3 to turn.

2. Work 1 dc in first st. (The needle shows the first st).

3. Like this. You have now increased 1 st.

4. Work 1 dc in each of the last 2 st.

4. - 83. Repeat the procedure: "Ch 3 to turn and work 1 dc in first st. Continue working 1 dc in each st on the rest of the row" until you have worked 83 rows. (84)

Now the shawl doesn't need to be any wider and you continue decreasing 1 st in every row. The decrease is worked as follows:

85. Ch 3 to turn. Work the first 2 dc together (dc2tog) and continue working 1 dc in each st on the rest of the row. (83)

1. Ch 3 to turn.

2. Now work the decrease. This is done by working the 2nd and 3rd st together.

3. Like this.

4. Work 1 dc in each st on the rest of the row.

86. Ch 3 to turn. Dec2tog and work 1 dc in each st on the rest of the row. (82)

1. Ch 3 to turn.

2. Now work the decrease. This is done by working the 2nd and 3rd st together.

3. Like this.

4. Work 1 dc in each st on the rest of the row.

87. - 165. Repeat the procedure: "Ch 3 to turn. Dc2tog and work 1 dc in each st on the rest of the row" until you have worked a total of 165 rows. (2) Cut yarn and weave in ends.

Enjoy 😊
