Pattern information

The pillowcase is worked in the round with the stripes across the shorter side.

Cast on with an 8-figure cast on and sew together with grafting stitches.

The stripes can be made at random, but can also be chosen for you here:

<http://www.randomstripes.com/>

Enjoy!

Pattern

The stripes are worked randomly at your own wishes – between 2 to 10 rounds per color – so that all stripes are unique.

Here, the Random Stripes Generator has been used: <http://www.randomstripes.com/>

Pattern instructions

Cast on 140 sts in the figure-8 method. Knit in the round, changing colour to create stripes as wished, until the pillowcase measures 48 cm.

Bind off.

Place the inner pillow in the pillowcase and sew open ends together.
