## Pattern

All of the shawl is knit using 1 strand of each quality, including the tassel.

### Cast on with a square

Begin with a little square: Cast on 3 sts and knit 8 rows. Don't turn, but knit up 3 sts along the left side = 6 sts. Don't turn, but knit up 3 sts along the left side = 9 sts.

### Continue with increases

**1st row, wrong side:** k9.

**2nd row, right side:** k3, inc 1, k1, inc 1, k1, inc 1, k1, inc 1, k3 = 4 sts increased = 13 sts.

**3rd row:** k6, place a marker before the center st, k1, place a marker after the center st, k6.

**4th row:** k3, inc 1, k3, inc 1, k1 (center st), inc 1, k3, inc 1, k3 = 17 sts.

**5th row:** k17.

**6th row:** k3, inc 1, k5, inc 1, k1 (center st), inc 1, k5, inc 1, k3 = 21 sts.

**7th row:** k21.

**8th row:** k3, inc 1, k7, inc 1, k1 (center st), inc 1, k7, inc 1, k3 = 25 sts.

**9th row:** k25.

**10th row:** k3, inc 1, k9, inc 1, k1 (center st), inc 1, k9, inc 1, k3 = 29 sts.

**11th row:** k29.

Rep this inc with 4 sts on every other row until the shawl measures approx. 32½" (83 cm) in height at the center st.

Cast off loosely while making increases like before.

### Tassel

Approx. 0.3-0.35 oz. (8-10 g) of yarn is used for the tassel.

Take a piece of card board with a width of approx. 2.8" (7 cm). Wind the yarn around the card board to a fitting thickness.

Take a piece of yarn of approx. 10" (25 cm) and tie it around the yarn on one of the sides of the top of the card board and tie a few knots, not too tightly. The knot is tightened later.

Remove the card board. Take a piece of yarn and wind around the yarn about ½" from the knot and tie a few knots. Pull in the ends and hide in the tassel. Cut open in the opposite end from the knot.

Loosen the knot in the top and tie a few knots tightly around the yarn.

Sew the tassel to the tip of the shawl.
