**St:** Stitch

**Sc:** Single Crochet

**B-bl:** Bottom Back Loop of st  
**Sl st:** Slip Stitch  
**B-sl st:** Slip Stitch from behind  
**Lsc:** Long Single Crochet

**NOTE:**

From 2nd round each round starts with 2 ch. These do not replace any stitches neither are they counted in.

Every round is finished with a b-sl in 2nd ch from the beginning of the round. It's a regular sl st, but is made from the back and not the front as usual. This makes the join between each round a color change less visible. The join will still tilt a little though because you work in the round. – Opt. see the visual guide at the bottom of the pattern.

**Pattern** – Visual guide can be found at the bottom of the pattern

The bag is worked in 8/8.

36. Now you need to attach a D-ring in each side of the bag for the handle. Lay the bag flat and find out where you want your handle. The D-ring should be attached over 5 sts. Opt. mark with stitch markers where your D-rings should be.  
Make 1 ch and work 1 lsc to where your first D-ring should be. Here it is crocheted on over 5 sts using lsc. Work lsc to where your other D-ring should be. Here it is crocheted on over 5 sts using lsc. Work lsc around. Finish with 1 sl st. (121)
