Now it's time to make the pumpkin look like a pumpkin!

Take a long piece of yarn and tie a knot on the end. Use a long needle and pull the yarn tail through the center of the pumpkin, wrap the yarn around the side and then pull back through the center again. Repeat this 5 more times.

Sew on the brown stem to the top of the pumpkin and then sew on the leaf on the side.

And you're done! 😊

Have fun!
