**Sizes:** 50 (54) 58cm

**Yarn usage:** Approx. 26 (28) 30g

### Abbreviations:

**Ch:** Chain

**St(s):** Stitch(es)

**Hdc:** Half double crochet

**Bl:** Back loop

**Note:** Ch 1 to turn the work – This does not count as a stitch.

From row 2 and onwards, work in the bl. It can be useful to work the last stitch through both loops and will result in a more even edge.

**Pattern:**

1. Ch 77(82)87. Work 1 hdc in the 2nd ch from the hook. Work hdc to the end of the row. = 76(81)86 sts.

2. Ch 1 and turn. Work hdc in the bl to the end of the row. = 76(81)86 sts.

Repeat row 2 until you have a total of 16 rows of hdc. Cut the yarn and weave in ends.

**Pattern tutorial:**

The tutorial depicts fewer stitches, but the procedure is the same.

**Row 1**

1. Ch 77(82)87.

2. Work 1 hdc in the 2nd ch from the hook.

3. This is how it will look.

4. Work hdc to the end of the row. = 76(81)86 sts.

## Row 2

1. Ch 1 and turn.

2. Work hdc in the bl. The needle indicates the loop that you will be working your hdc into.

3. This is how it will look.

4. Work hdc in the bl to the end of the row = 76(81)86 sts.

## Row 3 and onwards

1. Work row 3 like row 2.  
Ch 1 and turn.

2. Now, work hdc in the bl. The needle indicates the loop that you will be working your hdc into.

3. This is how it will look.

4. Work hdc in the bl to the end of the row = 76(81)86 sts.

5. Repeat row 2 until you have a total of 16 rows of hdc. Cut the yarn and weave in ends.

### Tutorial - Assembling:

1. Place the piece as shown on the picture.

2. Now we are going to fold the end pieces to make a "knot".

3. Place the right part on top of the left part so it overlaps half of the left part.

4. Fold the other half of the left part (the part which is not covered by the right part) across the right part.

5. Fold the other half of the right part across the left part.

6. The end pieces are now folded into each other as you can see on picture.

7. Sew the end pieces together through all 4 layers.

8. Like this. Cut the yarn and weave in ends.

9. Turn the seam to the wrong side. We have now made a fine “knot” and the headband is assembled 😊

Enjoy!
