Pattern – Instructions are available at the end of the pattern

Note: Each row is turned by crocheting 1 or 2 chain stitches. These do not replace any stitches and are not included in the final stitch count.

From row 2 and onwards, all stitches are worked in the blo. However, the last stitch of each row is worked through both loops.

1. Ch 42 (46) 50. Work 1 hdc in the first 32 (36) 40 ch stitches. The first hdc is worked in the 3rd ch from the hook. Work 1 sc in the last 8 ch stitches = 40 (44) 48 sts.
2. **From now on, all stitches are worked in blo.**
