**- A wonderfully soft and high quality cotton mix**

Cosy's thread is perfect for knitted cardigans and sweaters. The thread is quite lightspun, soft and with a very special elasticity, which preserves the knit beautiful. The nature of the fiber gives a special fluffyness, which is ideal for knitting beautiful sweaters.

The Cosy yarn is a bit vintage in its expression – warm, strong and even breathable.

Cosy has been awarded the AZO certificate and is thus a yarn that everyone can feel safe wearing.

# Good to know

## Hook Size + Tension

Crocheters crochet very differently: some crochet with a hook size 2,0 mm and obtain the same size of design and quality as a person who crochets with a hook size 4,0 mm. We owe this knowledge to the team of crocheters who join us.

The key to crochet a specific size is a lot about the crochet style/hands/skills, rather than the size of hook. Therefore, we will recommend a range of hook sizes.
