About the pattern

The sweater is worked with 2 strands of Kid Silk and 1 strand of Woolpower worked together = 3 strands.

The sweater is worked bottom up. Armholes and neckline are bound off. The shoulders are stitched together, and stitches are picked up in the armhole. The sleeves are worked top down.

Increasing by 1 stitch (inc1): Pick up the loop between the stitches and knit it through the back loop (tbl).

Turn stitch (turn st): Turn with the German short rows method.

k10 (11, 12), inc1, repeat from * to * throughout the rnd = 110 (120, 130) sts.

Work st st in the round until the work measures 9.8" / 25 cm.

Place a marker on each side = side seams = 55 (60, 65) sts for the back and front respectively.

Here the work is divided into armholes. Put the front sts on hold on the circular needle and work the back.

Back

Work st st in the flat on the circular needle.

Work even, until the armhole measures 8.7" (9.1", 9.4") / 22 (23, 24) cm = 18.5" (18.9", 19.3") / 47 (48, 49) cm in total.

Bo all sts.
