Abbreviations:

Mr: Magic ring
Ch: Chain
St(s): Stitch(es)
Sc: Single crochet
Hdc: Half double crochet
Sl st(s): Slip stitch(es)

NOTE:

When crocheting the first 3 rounds, ch 1 at the beginning of each round - This does not count as a stitch, neither does it count towards the st total. Each round is finished with 1 sl st in the first st.

It's a good idea to measure the piece on your jar as your work - It must be very tight-fitting on the jar, otherwise it will slide down. You may want to adjust your gauge/hook size if it does not fit.
