INFO AND TIPS

- Use the 2.75mm hook for all parts of the pattern, except for the scarf. You will use the 5mm hook for the scarf.
- To give your amigurumi a furry texture using the Fluffy Day yarn, crochet the kitten's grey parts (e.g., head, ears, arms, legs) with the wrong side out. For contrast, crochet the body part with the right side to give a smoother look.

Note: The tail is made using the “i-cord” crochet technique. A video tutorial is available at:

www.sweetsofties.com/2018/04/i-cord-tutorial.html

Set up the i-cord: Ch 3. Insert hook into 2nd ch from hook, YO, pull up a loop, insert hook into next ch, YO, and pull up a loop. (3 loops on hook)

R1: Drop 2 loops from hook, but hold onto them tightly with your non-hook hand so that they do not come undone. YO, pull through loop on hook. Insert hook into first dropped loop, YO, pull through. (2 loops on hook.) Insert hook into second dropped loop, YO, and pull through. (3 loops on hook)

R2-R15: Repeat R1.

To finish, YO and pull through all 3 loops on hook.

4. Sew a small nose and mouth to the face.
