Assembling

- Fill the head and body with fiber filling.
- Sew the hood to the head and the head to the body.
- Sew the arms on to 3rd rnd counted from the top.
- The wings should be folded so the center inc becomes the outer edge of the wing, and the inner edge should look more "straight".

- Attach the wings so the top edge covers the neck and make sure the arms are under the wings.
- Sew the wings together at the bottom.
- Put a little bit of fiber filling in the horns and sew them on to rnd 14 and 15 counted from the back of the head and with 12 sc between them.

- The rose is folded in the middle, right side to right side, and is rolled around itself, so it gets the shape of a rose. Sew it together in the bottom and attach to the side of the hood.
- The nose is sewn on to rnd 17 and 18 counted from the top of the head.
- Embroider the eyes close to the nose.

- Sew the spots to the wings.
 - Embroider the stripes to the stomach.
- 1st stripe is made 7 rnds from the neck and across 10 sc.
 2nd stripe is made 4 rnds under and across 12 sc.
 3rd stripe is made 4 rnds under and across 14 sc.
 4th stripe is made 4 rnds under and across 16 sc.
 5th stripe is made 4 rnds under and across 18 sc.
