PATTERN INFORMATION

The Vivian Jumper is the perfect introduction to crochet garments. Made from a simple, repetitive stitch pattern, and with minimal assembly, she works up super quickly and takes little concentration. Designed with a cropped fit and statement balloon sleeve, she'll be your new favourite jumper to see you through the cooler months.

INFO AND TIPS

Your main body section is worked in rounds. You turn your two rounds of DC but not your V ST rows. You then split the front and back pieces and work in rows, turning at the end of each row. Your sleeves are worked in rounds.

I do not join my starting chain as I find it too fiddly, instead I join my first round of dc and use my starting yarn tail to close the gap.

BODY

CH 92 (100, 116, 124, 132, 140, 156, 164, 172)

Round 1: DC in fourth CH from hook and each CH along. SS to starting CH to join. CH3, turn.

Round 2: SK ST at base of CH, DC in each ST from the previous row. SS to CH3 to join. CH3, turn.

Round 3: SK ST at base of CH. *V in next ST, SK next ST* until 2 ST remain. SK next ST, DC in final ST. SS to CH3 to join. CH3.

Round 4: V in each CH SP from the previous row, DC in final DC of the previous row. SS to CH3 to join. CH3.

You should have a total of 44 (48, 56, 60, 64, 68, 76, 80, 84) V ST and 2DC.

Repeat round 4 until you have a total of 17 (17, 19, 19, 21, 21, 23, 23, 25) V stitch rows including row 3. At the end of your final row CH3.

BACK PIECE

Row 1: V in the next 21 (23, 27, 29, 31, 33, 37, 39, 41) CH SP. DC in next CH SP. CH3, turn.

Row 2: V in each CH SP from the previous row, DC between final V and final DC of the previous row. CH3, turn.

Repeat row 2 until you have a total of 13 (13, 13, 15, 15, 15, 17, 17, 17) rows **in this section including row 1**. At the end of your final row, CH3 and turn.

Final row: **Loosely** DC in each DC from the previous row, **not** in the CH SP between ST. DC between final 2 ST. You should have a total of 44 (48, 56, 60, 66, 68, 76, 80, 84) DC. FO.

FRONT PIECE

Join your yarn in the first unworked CH SP at the edge of your back panel. CH3.

Row 1: V in each CH SP from the previous row, DC in the final ST. CH3, turn. You should have a total of 21 (23, 27, 29, 31, 33, 37, 39, 41) V ST and 2 DC.

Row 2: V in each CH SP from the previous row, DC between final V and final DC of the previous row. CH3, turn.

Repeat row 2 until you have a total of 11 (11, 11, 13, 13, 13, 15, 15, 15) rows **in this section including row 1**. At the end of your final row CH3 and turn.

Neck

Row 1: V in next 6 (7, 9, 10, 11, 12, 14, 15, 16) CH SP. DC in next CH SP. CH3, turn.

Row 2: V in next 6 (7, 9, 10, 11, 12, 14, 15, 16) CH SP. DC between final V and final DC from the previous row. CH3, turn.

Row 3: Loosely DC in each DC from the row before, DC between final V and final DC from the previous row. FO, leaving a long tail for assembly.

Reattach yarn at the outer edge of the other side of your piece, CH3, and repeat rows 1-3. With right sides together, use your yarn tails to seam your shoulders.

SLEEVES

CH 31 (31, 31, 35, 35, 39, 39, 39)

Row 1: DC in fourth CH from hook and each CH along. SS to starting CH to join, CH3, turn. A total of 29 (29, 29, 33, 33, 33, 37, 37, 37) ST.

Row 2: SK ST at base of CH, DC in each ST from the previous row. DC between final 2 ST from the previous row. SS to CH3 to join. CH3, turn.

Row 3: SK ST at base of CH. V in each ST along until 1 ST remains. DC in final DC of the previous row. SS to CH3 to join. CH3.

Row 4: V in each CH SP from the previous row, DC in final DC of the previous row. SS to CH3 to join, CH3.

You should have a total of 27 (27, 27, 31, 31, 31, 35, 35, 35) V ST and 2 DC.

Repeat row 4 until you have a total of 34 rows of V ST. At the end of your final row, CH3.

NOTE this is one row short of the completed length of your sleeve. If you would like them any longer, add some additional row 4 repeats before moving on.

Row 35: Loosely DC in each ST from the previous row, **not** in the CH SP between DC. DC in final DC. SS to CH3 to join. A total of 56 (56, 56, 60, 60, 60, 72, 72, 72) DC. DO NOT FO.

ASSEMBLY

You should have 14 (14, 14, 16, 16, 16, 18, 18, 18) rows open at the front and back of your jumper, a total of 32 rows, and 56 (56, 56, 60, 60, 60, 72, 72, 72) DC around the sleeve edge. Using SC, in the side of each DC on the body panel, you will join the tops of 2 DC from the sleeve.

FO, leaving a long yarn tail to close any gaps in the underarm.

NECKLINE EDGING

With the right side of the back panel facing you, join yarn in any ST at the back of the neckline and CH1.

Round 1: SC in each ST along the back of the neckline, then place 2SC in the side of each of your neckline rows. SC in each ST (**not** CH SP) along the front of the neckline, and then place 2SC in the sides of your neckline rows as before. SC back to your starting CH and SS to join, CH1.

Round 2: SC in each ST from the previous row. SS to CH1 to join, FO and weave in your ends.

Enjoy!

Lauren
