## INFO AND TIPS

Ch1 does not count as a st.

Ch3 does count as a st.

This is how the stitch pattern will look. It is a row of scs, and a row of granny stitch repeated. It works from the bottom up. You will make a back panel and then a front panel with an added neckline. Both panels will then be attached at the shoulders, then seamed down each side under the armhole. The sleeves are then crocheted straight onto the garment, ribbing is added to the neckline and a hem of scs around the bottom of the body.

## SWATCH

10mm hook or any to obtain gauge

9 scs by 7 rows = 10cm square

The bottom row is the granny stitch and the top row will be sc.

Loosely ch 17 (ch3 counts as a st, ch 1 does not count as a stitch)

1. Sc in 2<sup>nd</sup> ch from the hook, sc in every ch along the row (16sc)
2. Ch3, turn, dc in same st, sk 2 sts, \*3dc in next st, sk 2 sts\* rpt to final st, 2dc in final st (4 gc)

3. Ch1, turn, sc in same st, sc in every st along the row (16sc)

Rpt rows 2 and 3 until you reach 9 rows.

Right now it's time to start the pattern...

Stitch counts are written as XS (S, M, L, XL, 2XL, 3XL, 4XL, 5XL)

The right side will be the side where your granny stitch faces the front.

## BACK PANEL

Loosely ch 38 (44, 50, 53, 56, 62, 68, 71, 77)

### Row 1

Sc in 2<sup>nd</sup> ch from the hook, sc in every ch along the row. 37sc (43, 49, 52, 55, 61, 67, 70, 76)

### Row 2

Ch3, turn, dc in same st, sk 2 sts, \*3dc in next st, sk 2 sts\* rpt to final st, 2dc in final st. 11gc (13, 15, 16, 17, 19, 21, 22, 24)

### Row 3

Ch1, turn, sc in same st, sc in every st along the row. 37sc (43, 49, 52, 55, 61, 67, 70, 76)

### Row 4

Ch3, turn, dc in same st, sk 2 sts, \*3dc in next st, sk 2 sts\* rpt to final st, 2dc in final st. 11gc (13, 15, 16, 17, 19, 21, 22, 24)

Rpt rows 3 and 4 until you reach row 36 (36, 38, 38, 40, 40, 40, 42, 42)

Fasten off and weave in ends.

## FRONT PANEL

For the front panel you will follow the exact same instructions for the back panel. You will keep working the sc and granny stitch row, but your final row will be row 30 (30, 32, 32, 34, 32, 32, 34, 34). The last row that you make will be the granny stitch.

Do not fasten off.

## NECKLINE SIDE 1

### Row 1

Ch1, turn, sc in same st, sc in next 12sts (14, 17, 18, 19, 22, 25, 26, 29). There should be a total of 13sc (15, 18, 19, 20, 23, 26, 27, 30).

## Row 2

Ch3, turn, dc in next st, dc in every st along the row. 13dc (15, 18, 19, 20, 23, 26, 27, 30).

Rpt rows 1 and 2 until you have a total of...

XS - XL = 6 rows

2XL - 5XL = 8 rows

Fasten off and weave in ends.

Now you will repeat for the other side. Go back to the first row of the neckline and count across the row from the next st after your final sc from neckline row 1.

## NECKLINE SIDE 2

### Row 1

Starting from the 1<sup>st</sup> st count a total of 11sts (13, 13, 14, 15, 15, 15, 16, 17) across the centre of your front panel, attach your yarn in the next st with a slst, ch1, sc in same st, sc in every st along the row. 13sc (15, 18, 19, 20, 23, 26, 27, 30).

### Row 2

Ch3, turn, dc in next st, dc in every st along the row. 13dc (15, 18, 19, 20, 23, 26, 27, 30).

### Row 3

Ch1, turn, sc in same st, sc in every st along the row. 13sc (15, 18, 19, 20, 23, 26, 27, 30).

Rpt rows 2 and 3 until you have a total of...

XS - XL = 6 rows

2XL - 5XL = 8 rows

Fasten off and weave in ends.

## ASSEMBLING

The granny stitch row should face the right side and the sc row is facing the wrong side.

Lay back panel flat RS facing up. Place the front panel on top of the back panel WS facing up so both panels are RS together. Line them up and seam along the top until you reach the neckline on the front panel. You should be seaming 13sts (15, 18, 19, 20, 23, 26, 27, 30). I went through both stitches on each side with my hook and slip stitched. You can use any preferred seaming method. Rpt for the other side. There should be 11sts (13, 13, 14, 15, 15, 16, 17) left in between the panels for the neckline. (This does not include the last st of each shoulder seam).

Keeping your sweater RS together and starting from the top, measure down the sides 17.5cm (18.5cm, 20cm, 21.5cm, 22.5cm, 24cm, 25cm, 26.5cm, 27.5cm) and place a stitch marker at the measurement through both the front and back panel. This will become the armhole. Rpt for the other side. Then you will start from the bottom and seam all the way up to the stitch marker. Again, I used my hook and slip stitched through both panels. You can use your preferred seaming method.

## **SLEEVES**

### **Round 1**

Tip – Divide your number of sc's by 2 and evenly place the first half from the underarm to the shoulder seam and the 2<sup>nd</sup> half from the shoulder seam back to the underarm. Do not worry if you have an uneven number, you can add the extra stitch to one side. (It does not matter which one).

With RS facing you attach yarn at underarm with a slst.

Ch1, evenly place 30 sc's (33, 36, 36, 39, 42, 45, 48, 51) around the armhole, slst to 1<sup>st</sup> sc to join.

### **Round 2**

Ch3, do not turn, 2dc in same st, sk next 2 sts, \*3dc in next st, sk next 2 sts\* rpt to end, slst to top of ch3 to join. 10gc (11, 12, 12, 13, 14, 15, 16, 17)

### **Round 3**

Ch1, turn, sc in same st, sc in every st around the row, slst to top of 1<sup>st</sup> sc to join. 30sc (33, 36, 36, 39, 42, 45, 48, 51)

### **Round 4**

Ch3, turn, 2dc in same st, sk next 2 sts, \*3dc in next st, sk next 2 sts\* rpt to end, slst to top of ch3 to join. 10gc (11, 12, 12, 13, 14, 15, 16, 17)

Rpt row 3 and 4 until you reach row 24. (This is optional, if you would like it a bit longer or shorter then you can add or take away rows until you reach your desired length.)

Fasten off and weave in ends.

## **SLEEVE CUFF - AMIGO CHUNKY**

For the sleeve cuff I used chunky yarn, if you prefer you can carry on using 2 strands of Amigo held together.

### Round 1 (decrease row)

Attach yarn with a slst, Ch 1, sc2tog all around the row, if you are left with 1 stitch at the end, that's fine just place a sc in the final st, slst to 1<sup>st</sup> sc2tog to join. 15sc (17, 18, 18, 20, 21, 23, 24, 26)

### Round 2

Ch1, turn, sc in same st, sc in every st around the row, slst to 1<sup>st</sup> sc to join. 15sc (17, 18, 18, 20, 21, 23, 24, 26)

Rpt round 2 as many times as you desire, I had a total of 5 rows for my cuff.

Fasten off and weave in ends. Rpt for other side.

## NECKLINE - AMIGO CHUNKY

For round 1 you will place sc2tog across each corner of the neckline.

### Round 1

With sweater RS facing you, attach yarn with a slst around the dc bar at the back right just before the corner, ch1, sc2tog (dc bar and the 1<sup>st</sup> st of the back neckline), sc in next 11sts (13, 13, 14, 15, 15, 15, 16, 17), sc2tog (this will be the last st of the back neckline and the first dc bar on the left side), \*sc around the same dc bar, sc around sc bar, 2sc around next dc bar\* rpt until last sc bar, sc2tog (sc bar and the 1<sup>st</sup> st at the front of the neckline), sc in next 11sts (13, 13, 14, 15, 15, 15, 16, 17), sc2tog (last st of the bottom neckline and around the first sc bar of the right side), \*2sc around next dc bar, 1 sc around sc bar\* rpt until you reach the last dc bar (with the sc2tog around it), place 1 more sc around the last dc bar and slst to top of the sc2tog to join. 40sc (44, 44, 46, 48, 54, 54, 56, 58)

### Round 2

Ch3, dc in next st, dc in every st, slst to top of ch3 to join. 40dc (44, 44, 46, 48, 54, 54, 56, 58)

### Round 3

Ch1, fpdc straight down around ch3 from the previous round, bpdc around the next st, \*fpdc around the next st, bpdc around the next st\* rpt to the end (your final st will be a bpdc), slst to 1<sup>st</sup> fpdc to join. 40sts (44, 44, 46, 48, 54, 54, 56, 58)

### Round 4

Ch1, fpdc straight down around 1<sup>st</sup> st from the previous round, bpdc around the next st, \*fpdc around the next st, bpdc around the next st\* rpt to the end (your final st will be a bpdc), slst to 1<sup>st</sup> fpdc to join. 40sts (44, 44, 46, 48, 54, 54, 56, 58)

Rpt round 4 as many times as you wish. (I just done 2 rounds of ribbing, but you can add as many rounds as you wish).

## BOTTOM HEM - AMIGO CHUNKY

Now you will do a small decrease row around the bottom of the sweater followed by a round of sc.

### Round 1

I liked how the sweater sat on my hips, so I only added in 4 decrease stitches. If you would like it to come in a bit more then feel free to add extra decrease stitches.

With RS facing you, attach yarn with a slst to the bottom of the sweater on the left side of the seam, ch1, sc2tog, sc around the row until you have 2sts remaining before the next side seam, sc2tog, then you place another sc2tog in the next 2sts on the other side of the side seam, sc around the row until you have 2 sts remaining, sc2tog, slst to the 1<sup>st</sup> sc2tog to join. 70sc (82, 94, 100, 106, 118, 130, 136, 148)

### Round 2

Ch1, turn, sc in same st, sc in every st around the row, slst to the 1<sup>st</sup> sc to join. 70sc (82, 94, 100, 106, 118, 130, 136, 148)

You can repeat round 2 as many times as you wish. I stopped at round 2.

Fasten off, weave in ends, and enjoy your new garment!!!

### Enjoy!
