## RIGHT SOCK

### LEG

CO 56 (60, 64) sts with circular needles or divide the sts on 4 double pointed needles.  
Work around in ribbing: knit 2, purl 2, until leg measures approx. 5 (6, 7) cm/2 (2.4, 2.8) inches.  
Place marker at the beginning of the round.

### HEEL

Work across 13 (15, 15) sts on each side of the marker = 26 (30, 30) sts.  
Let the sts for the instep rest.

### Heel flap

Work back and forth in stockinette stitch until the heel flap measures approx. 5 (5½, 6) cm/2 (2.2, 2.4) inches. End with a RS row.

### Heel decreases

- 1. row, WS:** purl 15 (17, 17), purl 2 together, purl 1, turn.
  - 2. row, RS:** slip 1, knit 5, knit 2 together through back loop, knit 1, turn.
  - \*3. row, WS:** slip 1, purl until 1 stitch before the "space", purl 2 together, purl 1, turn.
  - 4. row, RS:** slip 1, knit until 1 sts before the "space", knit 2 together through back loop, knit 1, turn\*.
- Repeat \*-\* until all sts on the needle have been worked.

With RS facing, pick up and knit 15 (16, 17) sts along the heel flap, knit the stitches on the instep, pick up and knit 15 (16, 17) sts along the heel flap.  
Place a marker in each side between the instep and the heel flap.

### Gusset

Work in the round across all sts.  
Knit until 2 sts before the marker between heel and instep, knit 2 together, knit the sts on the instep, knit 2 together through the back loop, knit until end of round.  
Knit 1 round.  
Continue decreasing on every second round until 56 (60, 64) sts remain.

## FOOT

Work even until work measures approx. 19 (21, 23) cm/8 (7.5 (8.3, 9) inches measured in the middle of the heel flap or try on the sock and stop knitting once it reaches your little toe.

The toe measures approx. 5 cm/2 inches.

End at the beginning of your round.

Place **marker A** 14 (15, 16) sts after the round marker, place **marker B** 14 (15, 16) sts before the round marker = 28 (30, 32) sts for each instep and sole.

## TOE

### Right foot

#### Decreases for the little toe:

**1. round:** knit until 3 sts before marker A, knit 2 together, knit 2, knit 2 together through back loop = 2 sts decreased.

**2. round:** knit.

Work these 2 rounds a total of 3 times = 6 sts decreased.

Continue working decreases on every round until 32 (34, 36) sts remain on the round.

#### Decreases for both little and big toe:

**Next round:** Knit until 3 sts before marker A, knit 2 together, knit 2, knit 2 together through back loop, knit until 3 sts before marker B, knit 2 together, knit 2, knit 2 together through back loop = 4 sts decreased.

Repeat this round until 12 sts remain.

Bind off and sew the hole closed.

## LEFT SOCK

Is worked the same as the right sock until the toe, which is worked laterally reversed.
