## TIPS AND INFO

Make sure you also stuff firmly between the head and body when joining to keep the head from slouching.

Make sure you work all your stitches firmly to avoid any gaps between them.

## FINISHING

- Place the hood on the head, roll the braids around and hide the ends under the hood, secure with pins and sew into place.
- Put the dress on the body and ch 14 on each side for the straps. Fasten the straps with a button each.
- Place the bag across the body.
- Join head and body placing the pointed part of the body inside the head. Sew it together on round 30 of the body to make it fit with the same number of sts as along the bound off edge of the head, i.e., 15 sc. Sew the head in place with very small stitches, one stitch for each sc and pull tight for the best result.
- Embroider eyelashes and eyebrows as shown in the pictures.
- Embroider the nose with 4 sts between rounds 18-19.
