INFO AND TIPS

The body is worked in long rows and turned at the end of each row. You then split the body into front and back panels.

When working into the side of a ST, I like to pick up a loop from the ST next to it to prevent any gaps forming.

Unless otherwise stated, you will be working with MC.

Your turning CH counts as a ST throughout.

MAIN BODY

CH 118 (126) 134 (142) 154.

Row 1: DC in fourth CH from hook and each CH along. CH3, turn.

Row 2: SK ST at base of CH, DC in each ST from the previous row, DC between final 2 ST, CH3, turn. You should have a total of 116 (124) 132 (140) 152 ST.

Repeat row 2 until you have a total of 24 (28) 28 (30) 30 rows including row 1. At the end of your final row CH3 and turn.

FRONT PANEL ONE

Row 1: SK ST at base of CH, DC in next 28 (30) 32 (34) 37 ST. CH3, turn.

Row 2: SK ST at base of CH, DC in each ST from the previous row. DC between final 2 ST, CH3, turn. You should have a total of 29 (31) 33 (35) 38 ST.

Row 3: SK ST at base of CH, DC2TOG, DC in each remaining ST from the previous row. DC between final 2 ST, CH3, turn.

Row 4: SK ST at base of CH, DC in each ST from the previous row until 3 ST remain. DC2TOG, DC between final 2 ST. CH3, turn.

Repeat rows 3 and 4 until you have a total of 12 (12) 14 (14) 16 front panel rows and a total of 19 (21) 21 (23) 24 ST. FO leaving a long tail for seaming.

BACK PANEL

Join your yarn in your first unworked ST next to front panel one, CH3.

Row 1: SK ST at base of CH, DC in the next 57 (61) 65 (69) 75 ST. CH3, turn.

Row 2: SK ST at base of CH, DC in each ST from the previous row. DC between final 2 ST. CH3, turn. You should have a total of 58 (62) 66 (70) 76 ST.

Repeat row 2 until you have a total of 12 (12) 14 (14) 16 rows. FO and weave in your ends.

FRONT PANEL TWO

Join your yarn in your first unworked ST next to the back panel, CH3.

Row 1: SK ST at base of CH, DC in each remaining ST. DC between final 2 ST, CH3, turn.

Row 2: SK ST at base of CH, DC in each ST from the previous row. DC between final 2 ST, CH3, turn. You should have a total of 29 (31) 33 (35) 38 ST.

Row 3: SK ST at base of CH, DC in each ST from the previous row until 3 ST remain. DC2TOG, DC between final 2 ST. CH3, turn.

Row 4: SK ST at base of CH, DC2TOG, DC in each remaining ST from the previous row. DC between final 2 ST, CH3, turn.

Repeat rows 3 and 4 until you have a total of 12 (12) 14 (14) 16 front panel rows and a total of 19 (21) 21 (23) 24 ST. FO leaving a long tail for seaming.

Seaming

Seam your shoulders using your long yarn tails.

SLEEVES

Join your yarn in the side of any underarm ST and CH3

Row 1: DC in the side of the ST at base of CH. 2DC in the side of each ST around the sleeve edge. SS to CH3 to join. CH3, turn. A total of 48 (48) 56 (56) 64 ST.

Row 2: DC2TOG. DC in each remaining ST from the previous row. SS to CH3 to join. CH3, turn.

Repeat row 2 until you have a total of 24 (26) 28 (32) 34 rows. If you think your sleeve is getting too tight, continue working without the decrease at the beginning of each row. Keep an eye on the length of your sleeve as you go and work more or less rows accordingly. At the end of your final row, SS to CH3 to join, **change to CC**, CH1 and turn.

Cuff row 1: SC in each ST from the previous row, SS to CH1 to join, CH1, turn.

Repeat cuff row 1 until you have a total of 5 rows. At the end of your final row SS to CH1 to join, FO and weave in your ends.

Repeat to make the other sleeve.

Edging

With the right side of the back panel facing you, join CC in any ST at the bottom hem and CH1.

Round 1: SC in each ST along the bottom of your piece. Continue to work along the front of your cardi by placing 2SC in the side of each DC along the front edge. SC in each ST at the back of the neckline, then 2SC along the other front edge. SC along the hem until you reach your first ST. SS to CH1 to join, CH1 and turn.

Round 2: SC in each ST from the previous round. SS to CH1 to join. CH1, turn.

Round 3: SC in each ST from the previous round until you reach the front corner. SC in the next 6 ST, then *CH2, SK 2 ST, SC in the next 8 ST* 4 (5) 5 (5) 5 times to create buttonholes. SC in each remaining ST from the previous row. SS to CH1 to join, CH1, turn.

Round 4: SC in each ST and CH from the previous row. SS to CH1 to join, CH1, turn.

Round 5: SC in each ST from the previous row. SS to CH1 to join, FO and weave in your ends.

Sew your buttons on, making sure they're level with the holes you created.

Weave in all your ends and you're done!

Enjoy!

Lauren
