EXPLANATION FOR THE PATTERN

Garter stitch (in the round)

Odd rows: knit across; Even rows: purl across.

Knit 2 together or K2tog

Instead of knitting a single stitch, knit 2 stitches together.

SKP

Slip 1 knitwise, knit 1, pass slipped stitch over.

SK2TPO

Slip 1 knitwise, knit 2 together, pass slipped stitches over.

Stockinette stitch (in the round)

Knit across.

BODY (WORKED BOTTOM UP)

Bottom piece

Cast on 177 (177) 193 (209) 225 stitches with your circular needles size 3,5mm = US 4 and place a stitch marker to recognize the beginning of the round.

Then, knit 2 rounds in garter stitch.

Knit according to the Chart.

After the 24 rounds of the Chart, continue knitting in stockinette until you get a total length of 10 (10) 12 (12) 14 cm = 4" (4") 5" (5") 6".

Decrease 1 st at the end of the last round = 176 (176) 192 (208) 224 sts

Darts

Place two stitch markers: the first one on the stitch 22 (22) 24 (26) 28 and the second one on the stitch 66 (66) 72 (78) 84.

Decrease as follows every 4th round 5 (4) 4 (4) 3 times in total: SKP, stitch marker, K2tog. Note that the round without decreases is knitted normally. After these decreases, you should have a total of 156 (160) 176 (192) 212 stitches on your needles. Then, continue knitting until you get a total length of 28 (30) 32 (34) 40 cm = 11" (12") 13" (13") 16".

Armholes

Move your stitch marker of the beginning of the round 5 (5) 5 (6) 6 stitches back. After that, cast off 10 (10) 10 (12) 12 stitches, knit 68 (70) 78 (84) 94 stitches, cast off 10 (10) 10 (12) 12 stitches and knit 68 (70) 78 (84) 94 stitches. Put on hold these 136 (140) 156 (168) 188 stitches left.

SLEEVES (WORKED BOTTOM UP)

Cast on 113 (113) 129 (129) 145 stitches with your circular needles size 3,5mm = US 4 and place a stitch marker to recognize the beginning of the round. Then, knit 2 rounds in garter stitch.

Knit according to the Chart.

After the 24 rounds of the Chart, continue knitting in stockinette until you get a total length of 10 (10) 12 (14) 14 cm = 4" (4") 5" (6") 6".

Cast off 10 (10) 10 (12) 12 stitches and put on hold the 102 (102) 118 (116) 132 stitches left.

Put your first sleeve aside and work the second sleeve in the same way.

YOKE

Slip the stitches of the sleeves on each side of the body, making the cast-off stitches coincide. Now, you should have a total of 340 (344) 392 (400) 452 stitches on your needles. Insert 1 stitch marker at the beginning and another one at the end of each sleeve (= 4 stitch markers).

Then, knit 2 rounds normally using the 340 (344) 392 (400) 452 stitches on your needles. Do not be afraid of the two small holes formed under the armpit because they will be sewn at the end.

Raglan

The decreases for raglan have to be made at the level of these 4 stitch markers. For each decrease proceed as follows: 1 SKP, knit 1, SM, knit 1, K2tog.

Repeat these decreases every 4th round 5 (5) 5 (6) 6 times in total. Once you finish the decreases, you get a total of 300 (304) 352 (352) 404 stitches on your needles.

Neck edge

Knit 6 (4) 6 (8) 10 rounds more.

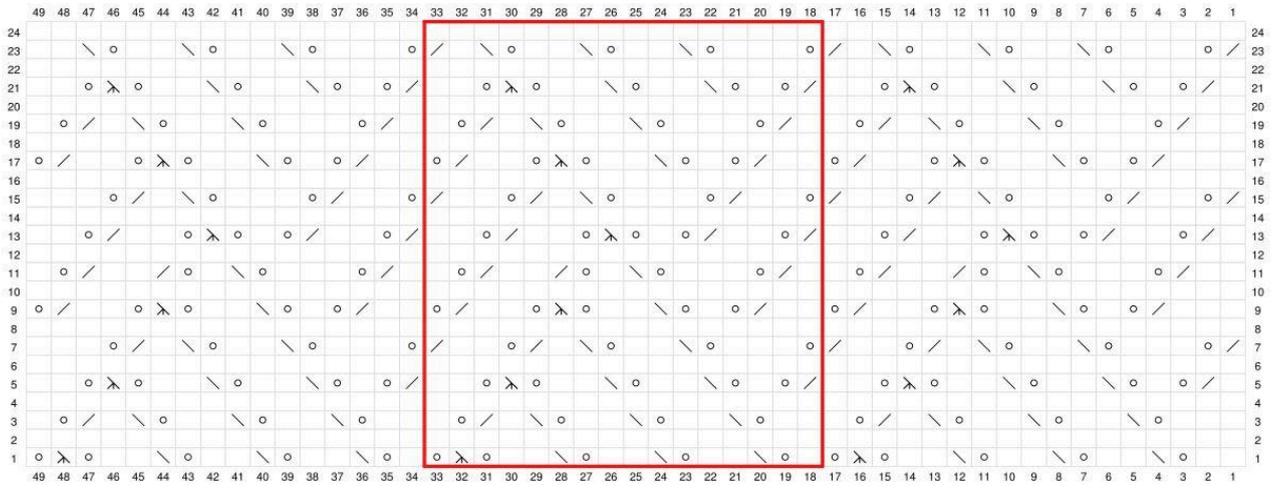

Distribute 24 (26) 28 (28) 34 decreases (=K2tog) on the round. Then, knit the following round normally.

For the next round, make the decreases only for the sleeves (identified thanks to the stitch markers you used for the raglan decreases) by knitting 2 by 2 the stitches. Knit the following round normally.

Assembly

Cast off your stitches using the i-cord bind off. Then, sew the openings under the sleeves.
