INFORMATION AND TIPS

The sweater has a positive ease of around 10-15 cm / 3.9-5.9". If you want the sweater to have a more tight fit, you can knit a smaller size.

A pattern is worked across the 14 middle stitches on the sleeves (see chart and elaboration on page 5).

BODY

Neckline

Using circular needle 4.5 mm (US 7), co 96 sts. Place a stitch marker. Work 4 cm / 1.6" of rib stitch (p2, k2) in the round.

Yoke

Change to circular needle 6 mm (US 10) – 80 cm (32").

Work 1 rnd while preparing the sts for the raglan increases like this:

K16 (back piece, left half) stitch marker, p1, stitch marker, p1, *k2, p2; repeat from * 2 times (left sleeve), stitch marker, p1, stitch marker, k33 (front piece), stitch marker, p1, stitch marker, p1, *k2, p2; repeat from * 2 times (right sleeve), stitch marker, p1, stitch marker, k17 (back piece, right half).

On the next rnd, increase 4 sts like this:

Increase 1 st at the beginning and 1 st at the end of the rnd (back piece) as well as 2 sts evenly across the front piece = 100 sts.

Raglan increases

Increase 1 st on each side of the raglan sts every other rnd like this: Pick up the bar between the sts and k tbl (= M1).

Continue working rib stitch across the 14 middle sts of the sleeve on each rnd (applies to all sizes). The remaining sts are worked in stockinette stitch. P the 4 raglan sts.

Rnd 1: *Work until the first marker, M1, slip marker to right needle, p1, slip marker, M1; repeat from * at the following 6 markers. Work to end.

= 8 increased sts on the rnd

Rnd 2: Work the rnd without increasing.

Repeat rnds 1-2 until you have worked a total of 19 (23) 27 (31) rnds with increases, i.e. 38 (46) 54 (62) rnds in total.

= 252 (284) 316 (348) sts

Dividing the work into body and sleeves

K 37 (41) 45 (49) sts (back piece, left half). Place 51 (59) 67 (75) sts on a stitch holder or a piece of yarn (left sleeve). Co 6 sts. K 75 (83) 91 (99) sts (front piece). Place 51 (59) 67 (75) sts on a stitch holder or a piece of yarn (right sleeve). Co 6 sts. K 38 (42) 46 (50) sts (back piece, right half).

= 162 (178) 194 (210)

Body

Work the sts of the body in the round until the work measures 45 cm / 17.7" or reaches your desired length.

On the last round, decrease 1 stitch on each side = 160 (176) 192 (208) stitches on the needle.

Change to needle 4.5 mm (US 7). Work 5 cm / 2" of rib stitch (p2, k2).
Bo as established.

Sleeves

Place the 51 (59) 67 (75) sleeve sts on a circular needle. Co 6 sts below the sleeve. Place a marker at the BOR in the middle below the sleeve.

Work stockinette stitch in the round and work the pattern according to the chart.

Work in the round and decrease 1 st on each side of the marker like this: Work until 3 sts before marker, k2tog tbl, k2, k2tog = 2 decreased sts.

Decrease every 7 (6) 5 (4) cm / 2.8 (2.4) 2 (1.6)" a total of 4 (5) 6 (7) times = 49 (55) 61 (65) sts. Work until the sleeve measures approx 38 cm / 15" or reaches your desired length.

On the last rnd, decrease evenly across in order to have 36 (40) 44 (48) remaining sts.

NB: Do not decrease across the 14 sts in pattern.

Sleeve ribbing

Change to needle 4.5 mm (US 7).
Work 8 cm / 3.1" in rib stitch (k2, p2).
Bo loosely as established.

Same procedure for the second sleeve.
