INFO AND TIPS

You will crochet the leaves part and then the trunk. You will finally sew them together.

Ch 3 at the beginning of a round count as a st.

The trunk is worked on both sides of a foundation chain.

If you planned to sew your appliques on a crocheted or knitted support don't forget to leave a long tails form both parts to sew them on your project. If you planned to sew them on another support weave in ends and use sewing thread in the same color as the applique.

Ch14

Work 1 dc in the 3rd ch from the hook, 1 dc in the next 2 ch, 1 hdc in the next 2 ch, 1 sc in each st until 1 ch remains. Work 4 sc in the last st.

Turn to work on the other side of the chain.

Finish

With the yarn tail from the leaves sew the trunk in the wrong side of the leaves part. On top of rounds 2 and 3. Try to be invisible on the right side.

Optional: with the sewing thread you can sew some beads to make some fruits or you can use a bit of red yarn and make french knots. *Please be careful and don't use beads if the item is for young kids!*
