INFO AND TIPS

How to increase

M1L: Make 1 Left; pick up strand between the two needles from the front to back with the tip of left needle, knit into the back of this stitch

M1R: Make 1 Right; pick up strand between the two needles from back to front with the tip of left needle, knit into the front of this stitch

BODY

Turned Hem

Using your 3.50 mm circular needles CO 148 (154) 174 (194) 214 (240) 250 (260) 284 sts.

Note: The hem is created using a [turned hem](#).

Row 1: Knit

Row 2: Purl

Row 3: Knit

Row 4: Purl

Row 5: Knit

Row 6: Knit

Row 7: Knit

Row 8: Purl

Row 9: Knit

Row 10: Purl

You will now pick up stitches along the cast on edge and knit them together with your main stitches to create the turned hem.

Knit in stockinette until the piece measures 5"/13cm. **Make sure to slip the first and last stitch purlwise.**

To connect your piece into the round, SSK the last st of the row with the first two sts of the row. Place a stitch marker before the decrease stitch to mark the beginning of the round. You should have 146 (152) 172 (192) 212 (238) 248 (258) 282 stitches remaining.

Continue in stockinette until your piece measures 8"/20cm.

Set up row: Knit 53 (56) 66 (76) 86 (99) 104 (109) 121, place marker, Knit 73 (76) 86 (96) 106 (119) 124 (129) 141, place marker, knit until BOR.

You should now have 3 markers, your BOR marker and 2 SIDE markers. This allows for the slit to sit at the front of the thigh instead of the side. You should have 73 (76) 86 (96) 106 (119) 124 (129) 141 sts between both of your **SIDE** markers.

HIP TO WAIST SHAPING

The length between the hip and waist is approximately 9"/23cm. Take your measurement from your hip to your waistline. Write it down.

Rnd 1: Knit until 3 sts before first side marker, SSK, K1, sm, K1, K2TOG, knit until 3 sts before next side marker, SSK, K1, sm, K1, K2TOG, knit until BOR marker.

Rnd 2-4: Knit

Rep rounds 1 – 4 x 12 (12, 13, 13, 13, 14, 14, 14, 15) times = 94 (100) 116 (136) 156 (176) 190 (200) 216 sts on the needles.

Note: *As you continue your decreases, your left side marker will shift closer to your BOR marker. When you reach your BOR of marker, remove it and your left side marker will now become your BOR marker. Continue your decreases as the pattern suggests.*

Now that you have worked your decreases, knit in stockinette until this part of the dress matches the measurement between your hip and your waistline. If 9"/23cm for XS (S, M, L, XL, 3XL, 4XL) or 10"/25.5cm for 5XL suffices, proceed to next section.

Waist to Underbust

Knit in stockinette for 20 rounds - approx. 3"/7.5 cm

Bust increases

Rounds will restart for simplicity.

Note: *Bust increases are as needed. Depending on your body, do more or less or none at all.*

Rnd 1: Knit

Rnd 2: K1, M1L, knit until 1 stitch before stitch marker M1R, K1, sm, knit until BOR.

Rep rounds 1 & 2 until you have 69 (76) 72 (82) 92 (101) 116 (131) 141 for your **front**.

You should have a total of 116 (126) 130 (150) 170 (190) 210 (230) 250 sts.

FRONT

You will now separate the front from the back.

Note: *Be sure to try on your dress as you do your front decreases to make sure you have enough coverage. This is totally up to you. If you have achieved the desired front coverage before reaching the suggested number feel free to move on to knitting in stockinette until you reach the correct length from the underarm.*
