Pattern

Body

Cast on 214 (232) 250 (268) 286 sts using circular needles size 3 mm.

Join to work in the round and work 5 (5.5) 6 (6.5) 6.5 cm/2 (2.2) 2.4 (2.6) 2.6 inches of (k1, p1) ribbing.

Change to circular needles size 4.

Continue around in stockinette stitch, while on the first round evenly decreasing 18 (20) 22 (24) 26 sts to 196 (212) 228 (244) 260 sts.

Mark the beginning of round with one marker and mark the side seam after half the stitches with another marker.

Work 30 (31) 32 (33) 34 cm/ 11.8 (12.2) 12.6 (13) 13.4 inches of stockinette stitch, while on the final round stopping 7 sts before the beginning of round marker.

On the next round BO for armhole like this:

BO the last 7 sts on the round you just worked + the 7 first sts of the next round. (a total of 14 sts), knit until 7 sts before marker in opposite side, BO 14 sts for armhole and knit until end of round.

From now on you will work flat, finishing front and back panel separately, each part with 84 (92) 100 (108) 116 sts, let the sts for the front panel rest and continue with the back panel.

Back panel

Purl 1 row and BO the first 5 sts on your needle for armhole. On the next RS-row BO another 5 sts for armhole and knit until end. Purl back.

On the next RS-row BO for armhole like this:

K2, sl 1, k1, pssso, knit until 4 sts remain, k2tog and k2.

Turn work and purl 1 row.

Repeat these 2 rows 14 (16) 18 (20) 22 times.

Now BO the middle 32 (36) 40 (44) 48 sts for the neckline.

Each part, consisting of 6 sts, will be finished separately.

Back panel, left side: Turn work and purl back.

On the next RS-row decrease like this: K2, k2tog and k2 = 5 sts. Purl back.

On the next RS-row decrease like this: K1, k3tog and k1 = 3 sts. Purl back.

Turn work and k3tog = 1 st. Break yarn and pull through the remaining sts.

Back panel, right side: Join yarn and decrease like this on next RS-row: K2, sl 1, k1, pssso and k2 = 5 sts. Purl back.

On the next RS-row decrease like this: K1, sl k2tog, pssso and k1 = 3 sts. Purl back.

Turn work and sl 1, k2tog and pssso = 1 sts. Break yarn and pull through the remaining sts.

Body

Mark the middle of the front panel with a stitch marker.

Front panel, left side

Join yarn under the arm.

BO the first 5 sts for armhole, knit until 4 sts before middle front marker, k2tog (=neckline decrease) and k2. Turn work and purl back.

On the next RS-row BO for armhole like this:

K2, sl 1 knitwise, k1, pssso and knit until 4 sts remain, k2tog (= dec for V-neck) and k2. Purl back. Rep these final 2 rows 15 (17) 19 (21) 23 times = 6 m sts left (all sizes). Purl back.

On the next RS-row decrease like this: K2, k2tog and k2 = 5 sts. Purl back.

On the next RS-row decrease like this: K1, k3tog and k1 = 3 sts. Purl back.

Turn work and k3tog = 1 st. Break yarn and pull through the remaining sts.

Front panel, right side

Join yarn in the middle of front panel at the bottom of the V-neck.

Work 1. RS-row like this:

K2, sl 1 knitwise, k1, pssso (= dec for V-neck), knit until end. Turn work.

BO the first 5 sts for armhole and purl until end. Turn work

K2, sl 1 knitwise, k1, pssso (= dec for V-neck), knit until 4 sts remain, k2tog (= dec for armhole) and k2. turn and purl back.

Rep these final 2 rows 15 (17) 19 (21) 23 times = 6 m sts left (all sizes). Purl back.

On the next RS-row decrease like this:

K2, sl 1 knitwise, k1, pssso and k2 = 5 sts. Purl back.

On the next RS-row decrease like this:

K1, sl 1 knitwise, k2tog, pssso and k1 = 3 sts. Purl back.

Turn work and sl 1 knitwise, k2tog and pss0 = 1 st.

Break yarn and pull through remaining st.

Right strap

Using circular needles 3 mm pick up and knit + CO sts for the strap like this:

Join yarn in the first st to the left of the side seam = 1 st. Pick up and knit another 42 (44) 46 (48) 50 sts, approx. 1 st for each st and 1 for each row until you reach the tip of the right back panel, then CO 55 (59) 63 (67) 71 sts using the backwards loop method, continue directly onto right front panel, picking up and knitting 44 (46) 48 (50) 52 sts, 1 st in the tip on the front and then down along the armhole until you reach the point where you started, approx. 1 st for each st and 1 st for every row = a total of 142 (150) 158 (166) 174 sts.

Purl one round. Work one round with lace pattern like this: *K2tog, yarn over*, rep from * to * all the way around. Purl one round. Knit one round.

Work 9 rounds (for all sizes) around in rib st, k1, p1.

On the next round, BO in rib stitch.

Left strap

You will pick up the stitches for the left strap in the opposite order from the right strap, but work left strap the same way as right strap.

Neckline and inside of straps

Using circular needles 3 mm pick up and knit 1 st in the tip of the left, back triangle, continue picking up and knitting 55 (59) 63 (67) 71 sts, 1 st in each st along the cast on sts of the left strap (in the outer loops of the cast-on sts), continue down along the left side of the V-neck picking up 41 (43) 45 (47) 49 sts, approx. 1 st in each st until you reach the bottom of the V-neck, pick up and knit 1 st at the bottom of the V-neck (being careful not to create a gap where you pick up the st by pulling one of the loops from the st right before the middle st over to cover the gap). Mark the middle stitch. Pick up and knit another 41 (43) 45 (47) 49 sts, approx. 1 for each row along the right side of the V-neck, continue picking up and knitting 55 (59) 63 (67) 71 sts, 1 in each of the CO sts along the right strap (in the outer loops of the cast-on sts) and finally, pick up and knit 38 (42) 46 (50) 54 sts, approx. 1 for each st from the tip of the triangle on the right side of back panel, across the back and up, stopping just before you reach the tip of the left triangle on the back = 232 (248) 264 (280) 296 sts.

Purl 1 round. Work one round of lace pattern like this: *K2tog, yarn over*, rep from * to * all the way around. Note that the middle stitch of the V-neck + the st before are knit together to one st with a yarn over on each side of the middle st.

Purl one round.

Knit one round, while decreasing 1 st on each side of the middle st of the V-neck like this:

Knit until 2 sts before marked st, sl 1, k1, pss0, k1 (=marked st), k2tog and knit until end.

Work 9 rounds of rib stitch, p1, k1, with decreases (see below).

Note that you need to start with a purl st for middle V-neck st to be a knit st.

On the 2nd round work decreases on each side of the marked middle st like this:

Work rib st until 2 sts before marked st, sl 1, k1, pssso, k1 (marked st), k2tog, work rib st until end of round.

3rd round work st as they appear.

4th round work decreases on each side of the marked middle st like this: Work rib st until 2 sts before marked st, p2tog, k1 (marked st), p2tog, work in rib st until end of round.

5th round work sts as they appear.

Repeat rounds 2, 3, 4, 5 once more.

On the next round BO in pattern while purling the 2 sts on each side of the marked middle st together.

Finishing: weave in all ends. Gently steam block.

Enjoy!

Stine Hoelgaard
