## PATTERN INFORMATION

The Lava Sweater is worked bottom up in the round using 5 mm (US 8) needles and 1 strand of Diablo held together with 1 strand of Friends Wool. The magic loop-technique is used in the pattern. Alternatively, 5 mm (US 8) double pointed needles can be used. The sweater consists of a part worked in rib-stitch and one worked in stockinette stitch, finishing off with folding part of it down.

To finish the armholes are sewn or crocheted together. The Lava Sweater has a loose fit. Estimate a positive ease of 5-8 cm/2-3.15 in. i.e. the final circumference of the sweater should be 5-8 cm/2-3.15 in larger than your own circumference.

Do not break yarn, but rather continue straight on with the yoke, as described below:

## YOKE

Remove all sm. Now you will gather the body (front- and back piece) and the sleeves on one needle, so the yoke can be worked with raglan decreases. You will work as follows:

Rnd 1: \*K the 30 (34) 38 (42) 46 sts that make up the first sleeve, place sm, k until the bound off sts, place sm\* x2

Change to 1 strand of Diablo col Candy Apple (46) held together with 1 strand of Friends Wool col Tomato (40).

Rnd 2: \*K until sm, k2, make a right leaning dec by k2tog. K until 4 sts before the next sm, make a left leaning dec by slipping 1 st, k1, pull the slipped st over, k2.\* x2

Rnd 3: K throughout rnd.

Repeat rnds 2 and 3 until reaching a total of 12 (14) 16 (18) 20 rnds.

Rnds 13-48 (15-50) 17-52 (19-54) 21-56: P throughout rnd.

Now, change to 1 strand of Diablo col Black (09) held together with 1 strand of Friends Wool col Black (124).

Rnd 49-72 (51-75) 53-78 (55-81) 57-84: P throughout rnd.

Change to 1 strand of Diablo col Candy Apple (46) held together with 1 strand of Friends Wool col Tomato (40).

Rnds 73-100 (76-104) 79-108 (82-112) 85-116: P throughout rnd.

Rnd 101 (105) 109 (113) 117: \*p1, make a right leaning purl inc, p1, make a left leaning purl inc\*

Finish off the sweater using an italian bind off.

Fold the final 5 ends up, so the wrong sides are facing each other (purl against purl). Use a darning needle to sew along the edge, so the bind off will be hidden away on the inside. Sew or crochet the armholes together from the wrong side, and weave in all ends.

## Enjoy!
