CUFFS

You'll need 4 cuffs - 2 wrist cuffs and 2 front and back cuffs of the body part

Row 1: foundation sc, 10 sts

Row 2: ch-1 (doesn't count as a stitch), turn, sc in each sc in the back loop only (10 sc)

Repeat Row 2 until you reach the desired length, the length of each cuff should be 80% of the width of the sleeve and the bottom part.

Sew 4 cuffs to the sweater, after that make shoulders seams, sides seams and sleeves seams. Don't forget about armhole spaces and space for a future turtleneck. The width of armholes depends on the width of the sleeve.

NOTE: all the seams are made with a needle and corresponding color thread from the wrong side.

TURTLENECK

Connect the yarn to the neck and start crocheting rounds of ch-3 spaces. Fasten off. I crocheted 20 rounds (12 cm or 5").

Enjoy!
