Sew the side seams under the arms for 14 cm / 5.51" from the bottom and leave a gap for the arm holes.

Thread through the flat end part of the ties to curl them into a ball and finish by fixing them in place. Attach the other sides of the ties to the inside of the collar.

Turn the top edge (yarn B) of the pockets down and sew them in place all along the edge. Finish by sewing the pockets to the vest and make sure they are symmetrical, around 6 sts in and about 6 rows up from the edges.
