Pattern

INFO AND TIPS

The hat is worked in rib (k1, p1). Try the hat on as you go, to make sure the length is right for you. The hat is worked around on circular needles. For the first few rounds, it might be necessary to use the Magic Loop technique, or alternatively circular needles 10 mm, 40 cm.

HAT

Cast on 32 (36, 40) sts on circular needles 10 mm, 60 cm. Work 7 (8, 9) cm around in rib (k1, p1).

Knit 1 round (*This is where the edge will be folded, when the hat is done*).

Continue around in rib until the hat measures 28 (31, 34) cm *or the desired length*.

Now work k2tog through the round = 16 (18, 20) sts on the needle.

Pull the yarn through all the sts and tighten.

Secure yarn on the wrong side of your hat.

Weave all ends. Fold the edge.

Your hat is now ready for use :)

Enjoy!
