## ABBREVIATIONS

- st(s) = stitch(es)  
 ch = chain  
 slst = slip stitch  
 blo = back loop only  
 slstblo = slip stitch back loop only  
 sc = single crochet  
 2sctog = two single crochet stitches together (decrease)  
 sk = skip  
 SM = stitch marker

## INFO AND TIPS

With a 4mm hook, work up gauge in the round as follows:

- Ch 50, slst to first ch
- Ch 1, sc in each ch till end of row, slst to first sc (50 sc)
- Ch1, sc in every st till end of row (50 sc)
- Repeat previous row for another 25 rows and fasten off.
- Block gauge.
- Check measurements in the center of gauge: you should get 20 sts x 20 rows for a 10cm x 10cm square

If you don't match gauge, change your hook size to the one that enables you to correctly meet gauge.

**Change of colors:** please note that throughout the pattern it is advised to "attach yarn colors" at the beginning of each colorwork scheme to avoid an even more lengthy pattern, but you can actually only attach the color as soon as you need it.

**Example:** in the below red framed screenshot it is advised to attach color Chocolate and Nougat before starting with the colorwork scheme, but in reality you won't need Nougat until row 27 as it is shown in the scheme, so you can actually attach yarn color Nougat on row 27 instead of row 24.

The only reason for this is to avoid an even more lengthy pattern and overcomplication in the explanation.

Attach color Chocolate (12) and Nougat (09) and do not fasten off previous color, we will now start doing colorwork:

YK24-YK30 Ch1, sc in every st till end of row (216) following this colorwork scheme:

	1	2	3	4	5	6	7
24							
25							
26

## NECK RIBBING

With color Anthracite (122) do the ribbing:

N1 Ch 7

N2 Ch1 & turn, slstblo in the second ch from hook and in every ch from previous row (7 sts)

N3 Ch1 & turn, slstblo in every st till end of row (7 sts)

Repeat N3 until you reach a total of 80 (84, 86, 88) ribbing rows.

Join the last row to the 1<sup>st</sup> row N1 by slsts.

Ch1, sc in the side of each row, slst to first sc. 80 (84, 86, 88).

We will now start working on the yoke, please follow the pattern according to your size.
