slstblo = slip stitch back loop only
sc = single crochet
2sctog = two single crochet stitches together (decrease)
sk = skip

```

## INFO AND TIPS

With a 4 mm hook, work up gauge in the round as follows:

- Ch 50 , slst to first ch
- Ch 1 , sc in each ch till end of row, slst to first sc (50 sc)
- Ch1, sc in every st till end of row (50 sc)
- Repeat previous row for another 25 rows and fasten off.
- Block gauge.
- Check measurements in the center of gauge: you should get 20 sts $\times 20$ rows for a $10 \mathrm{~cm} \times 10 \mathrm{~cm}$ square

If you don't match gauge, change your hook size to the one that enables you to correctly meet gauge.

Change of colors: please note that throughout the pattern it is advised to "attach yarn colors" at the beginning of each colorwork scheme to avoid an even more lengthy pattern, but you can actually only attach the color as soon as you need it.

Example: in the below red framed screenshot it is advised to attach color Chocolate and Nougat before starting with the colorwork scheme, but in reality you won't need Nougat until row 27 as it is shown in the scheme, so you can actually attach yarn color Nougat on row 27 instead of row 24.
The only reason for this is to avoid an even more lengthy pattern and overcomplication in the explanation.

## NECK RIBBING

With color Anthracite (122) do the ribbing:
N1 Ch 7
N2 Ch1 \& turn, slstblo in the second ch from hook and in every ch from previous row (7 sts)
N3 Ch1 \& turn, slstblo in every st till end of row (7 sts)
Repeat N3 until you reach a total of $80(84,86,88)$ ribbing rows.
Join the last row to the $1^{\text {st }}$ row N 1 by slsts.
Ch1, sc in the side of each row, slst to first sc. $80(84,86,88)$.
We will now start working on the yoke, please follow the pattern according to your size.

We will work 8 short rows, working on the right side only, therefore we will need to fasten off after every row except on the last one ( 8 th $)$.

SR 1 Attach your yarn on the stitch next to your first stitch marker, place 82 sc until the stitch before the second stitch marker. Fasten off.
