Row 3: ch1 (doesn't count as a st here), 1 sc in the base of the ch, 1 sc in the next 2 sts, 1 sc in the 2nd ch of the starting chain from the previous row. (4 sts) Fasten off and weave in end.

FINISHING

With the right side facing you. Turn the coaster to have the hat on the top right. Place the nose in the middle of the face, pointing toward the left. Row 3 is covering the half of the first round. Sew it in place.

With the Black yarn, embroider the eyes and the smile. See the picture as reference.

If you are making a set of coaster, it can be fun to sew the face mirroring this one (with the hat on top left and nose pointing toward the right). Like this, when the coaster will be side by side the Snowmans will be facing each other.
