INFO AND TIPS

Ch 1 in the beginning of round doesn't count as a st.

You work in closed rounds, finishing each round with one slip stitch in the first stitch.

How to change colour:

Crochet the last stitch of the last round of the current color like this: insert hook in the stitch, yarn over with the current color, pull through the st. Yarn over with the new color, and pull through the two loops on hook.

COVER (make 2)

With col Lilac and Black and hook 2.5 mm (C/2)

The amount of stitches and rows that you need can vary depending on your tension. Try it often on the headband and adjust the amount of increase and rows if necessary. Remember to take notes to work the two pieces in the same way. Work these pieces not too tight, to allow it to have a little elasticity, to make it easier to put the headband inside.

Color sequence: like the amount of rounds can vary the idea is to choose your colors randomly. Here is the sequence I used:

- Cover 1: *5 rounds Purple, 3 rounds Black, 3 rounds Purple, 1 round Black, 2 rounds Purple, 5 rounds Black* Repeat * to * twice. 5 rounds Purple, 3 rounds Black, 3 rounds Purple, 1 round Black, 2 rounds Purple, 3 rounds Black
- Cover 2: *5 rounds Black, 2 rounds Purple, 1 round Black, 3 rounds Purple, 3 rounds Black, 5 rounds Purple* Repeat * to * twice. 5 rounds Black, 2 rounds Purple, 1 round Black, 3 rounds Purple, 3 rounds Black, 3 rounds Purple

ASSEMBLY

- Grab the pumpkin and thread the yarn that you left on the darning needle. Pass the needle through the pumpkin, from the magic circle (in the opposite end) to bring the yarn out at the starting point, the yarn passes between the eyes. Pull gently, this will create a hollow on the pumpkin. Continue to pull gradually until you are happy with the result. Repeat this 6 times in total with regular spacing. Finally sew the stem on the top of the pumpkin (round 1).

A video showing how to assemble the pumpkin:

- Place the 2 pieces of the cover on the headband and sew them together.
- Place the hat on the headband on the right (when wearing). The end of the edge must be on the center of the headband. Sew it in place.
- Place the pumpkin 2 cm from the hat on the left (when wearing). Remember to place the pumpkin's face on the right side. Sew it in place.
- Place the spider next to the pumpkin, on the left, with the legs on the pumpkin and sew it in place.

Of course it's totally up to you! You can choose your favourite placement.
