PATTERN INFORMATION

These neat socks with cables are worked either using addi Crasy Trio (i.e. using three needles) or using regular double pointed needles.

If you haven't worked cables before, this is a good pattern to try.

The socks are knitted from leg to toe. The heel is formed by working a gusset.

INFO AND TIPS

This pattern was made using 3 needles! It makes it much easier to work the pattern. You may also use 5 needles if you prefer. In that case, my first needle will be your needle 1 and 4, and my second needle will be your needle 2 and 3. Please note that the number of stitches must be a multiple of 5, so that they will be different on the needles in size 40/41.

2 stitch cable (2st cable): first knit the second stitch on your needle and then knit the first stitch (see images at the end of the pattern) slip both stitches; you have now knit two stitches (make sure you don't knit the two together but that you get two stitches on you right needle and that there are always 4 sts between the p sts)

STITCH PATTERN

Rnd 1: *k2, 2st cable, p1*

Rnd 2: k all sts

Rnd 3: *k1, 2st cable, k1, p1*

Rnd 4: k all sts

Rnd 5: *2st cable, k2, p1*

Rnd 6: k all sts

LEG

Cast on 60 (60, 65) sts and divide onto 2 double pointed needles. The number of sts should be a multiple of 5! **Size 40/41** has 30 sts on one and 35 sts on the other needle. The last st on every rnd is a p st. Place a stitch marker at the beginning of round. The beginning of the rnd is at the start of needle 1.

K 1 rnd and 1 rnd *k4, p1*

Now work the stitch pattern as instructed in the section STITCH PATTERN. Rnd. 1-6 are repeated until the leg measures 18 cm / 7.1 in. or desired length. Finish on a rnd 6 of the stitch pattern.

Size 40/41: On the last rnd, the 2 first sts are knitted together og the sts are divided so that there are 32 sts on each needle.

HEEL

The heel is worked across the 30 (30, 32) sts on the first needle. The sts for the instep are left to rest on their needle.

Heel flap

Row 1, RS: edge-st, k all sts, edge-st

Row 2, WS: edge-st, k2, p all sts until 3 sts remain on your needle, k2, edge-st

Work these two rows, back and forth, across the 30 (30, 32) heel sts until you have worked 28 (28, 30) rows. End on a WS row.

Heel decreases

Row 1, RS: k 19, (19, 21) sts, k2tog tbl, turn.

Row 2, WS: k 9 (9, 11) sts, p2tog, turn.

Row 3, RS: k 9 (9, 11) sts, k2tog tbl, turn.

Row 4, WS: k 9 (9, 11) sts, p2tog, turn.

Repeat rows 3 and 4 until 10 (10, 12) sts remain.

You will now continue around across both needles, working the foot and the sole in stockinette stitch.

On the next round knit up 15 (15, 16) sts on each side of the heel flap. You will now have 40, (40, 44) sts on your needles.

Gusset heel

Gusset decreases

You will work the gusset in stockinette stitch. Decreases are worked at the beginning and end of the heel needle, working k1, k2tog tbl at the beginning of the needle and k2tog, k1 at the end of the needle. Decrease on every 2. rnd until 60 (60, 64) sts remain, evenly divided on the two needles.

FOOT

Work in stockinette stitch until the work measures approx. 19 (20.5, 21.5) cm / 7.5 (8.1, 8.5) in. from the heel. The toe measures approx. 4.5 cm / 1.8 in.. The toe is worked in stockinette stitch.

Toe decrease

Rnd 1: First needle: k1, k2tog tbl, k all sts until 3 sts remain, k2tog, k1.

Second needle: k1, k2tog tbl, k all sts until 3 sts remain, k2tog, k1.

Rnd 2: Work 1 rnd without decreases. You will decrease 4 sts on each round. Repeat decreases every 2. rnd until 30 (32, 34) sts remain. Repeat decreases every rnd until 12 sts remain. Bind off all sts using the 3-needle-bind-off or cut the yarn and pull the tail through the remaining sts twice to close the gap. Weave in the end securely on the inside. Make the other sock the same way. Weave in all ends.

Enjoy!
