Pattern

INFO AND TIPS

The scarf is worked in rib (k2, p2). Try the scarf on as you go, to ensure the length is just right for you.

The rib will contract a bit, while you're working. When you have finished, optionally you can wash the scarf by hand and carefully stretch the rib out. Let it dry flat.

Edge stitch

The first stitch on every row is an edge stitch, which is slipped at the beginning of the row. Tighten a little, when you slip the stitch, to make the edge as nice as possible.

On row 1, the stitch is slipped by inserting the needle through the back loop with the yarn in front of the work. Work next stitch purl.

On row 2, the stitch is slipped by inserting the needle through the front loop with the yarn in back of the work. Work next stitch knit.

SCARF

Cast on 22 stitches on circular needles 12 mm, 80 cm. Be careful not to cast on too tightly.

Row 1: ES, p1, *k2, p2* Work from * to * to the end of row
Row 2: ES, work stitches as they appear

Repeat these two rows, until you only have enough yarn to bind off - *or your desired length.*

Bind off.

Weave all ends.
Your scarf is now ready for use :)

Enjoy!
